Charge Or How To Play War Games:

Charge! Peter Young, James Philip Lawford, 1970 March 2001 *Charge!, Or How to Play War Games; (by) ... P. Young ... and J.P. Lawford* Peter Brigadier Young, 1970 **Donald Featherstone's War Games** John Curry, Donald Featherstone, 2008-07-26 Donald Featherstone's classic wargaming book War Games was first published in 1962 It was largely responsible for turning a somewhat obscure hobby into a popular pastime across the world This revised edition includes new material including a foreword by Paddy Griffith the full version of the Lionel Tarr Modern Wargaming Rules modern being for World War II and a timeline of wargaming It is published as part of the History of Wargaming Project at www.johncurryevents.co.uk **Developing The Portable Wargame** Bob Cordery, 2017-05-31 This book has been written in direct response to the feedback from readers of The Portable Wargame and includes three sets of rules Ancient enhanced Early and Mid Twentieth Century and Air Combat and chapters that look at Army Lists Mini campaigns and Scenarios All the rules have been designed to be used with a gridded tabletop made up of squares or hexes *Boy Culture* Shirley R. Steinberg, Michael Kehler, Lindsay Cornish, 2010-06-17 In this two volume set a series of expert contributors look at what it means to be a boy growing up in North America with entries covering everything from toys and games friends and family and psychological and social development Boy Culture An Encyclopedia spans the breadth of the country and the full scope of a pivotal growing up time to show what a boy's life is really like today With hundreds of entries across two volumes it offers a series of vivid snapshots of boys of all kinds and ages at home school and at play interacting with family or knocking around with friends or pursuing interests alone as they begin their journey to adulthood Boy Culture shows an uncanny understanding of just how exciting confusing and difficult the years between childhood and young adulthood can be The toys games clothes music sports and feelings they are all a part of this remarkable resource But most important is the book's focus on the things that shape boyhood identities the rituals of masculinity among friends the enduring conflict between fitting in and standing out the effects of pop culture images and the influence of role models from parents and teachers to athletes and entertainers to fictional characters One-hour Skirmish Wargames John Lambshead, 2018-09-30 Many wargamers enjoy the challenge of skirmish games where instead of the strategy of vast armies portrayed by traditional wargames the focus is on the tactics of a small unit However skirmish rules are often so complex that it can take hours of rolling dice consulting tables and recording data to recreate what would in reality be a fast and furious firefight lasting just minutes Now these new rules make it possible to recapture the speed and intensity of these actions where every man and every second counts The basic rules are supported by sections which give special rules and scenarios to capture the flavor of a range of different periods from Napoleonic to Modern Warfare and beyond with Sci Fi From the 95th Rifles scouting for Wellington Western gunfights and WWI trench raids through WW2 parachute assaults or Special Forces strikes in Afghanistan or even Space Marines storming a space station Squad Firefights elegantly simple system allows you to focus on

proper tactical decisions rather than rolling buckets of dice or calculating masses of modifiers

Wargaming Campaigns Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that's that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde's excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for Wargaming Campaigns This big thick tome contains everything you'd ever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society [Handbook of Games and Simulation Exercises](#) G.
