Cuba Confronting The U S Embargo:

Cuba Peter Schwab,1998-12-14 Cuba Confronting the US Embargo details and analyses the effects of the US embargo on Cuban society and the response of Cuba and its population to overcoming its consequences Although the embargo disrupts and harms almost all aspects of life concentration focuses on those sectors most affected The book is framed by the issue of human rights from both the Cuban and the US perspective an ideological gulf which underpins the political differences that exist between the two countries and which raises the question of how extensively the implementation of the embargo violates the human rights of Cuba and its citizens

Cuba Under Siege K. Bolender,2012-12-23 For more than 50 years America's unrelenting hostility toward the Cuban Revolution has resulted in the development of a siege mentality among island leadership and its citizens In a vibrant new look at Cuban American relations Keith Bolender analyzes the effects this has had on economic cultural and political life

Economic and Financial Sanctions of the United States Caf Dowlah,2025-02-13

Cuba Louis A. Pérez,2015 Spanning the history of the island from pre Columbian times to the present this highly acclaimed survey examines Cuba's political and economic development within the context of its international relations and continuing struggle for self determination The dualism that emerged in Cuban ideology between liberal constructs of patria and radical formulations of nationality is fully investigated as a source of both national tension and competing notions of liberty equality and justice Author Louis A P rez Jr integrates local and provincial developments with issues of class race and gender to give students a full and fascinating account of Cuba's history focusing on its struggle for nationality

The Presidency and Economic Policy Chris J. Dolan,John P. Frendreis,Raymond Tatalovich,2008 The Presidency and the Economic Policy offers an update on how economic issues have developed and evolved since the first version of the book was published in 1994 This book addresses the extent to which the president influences the domestic and global economy manages and coordinates the economic policymaking process and determines various economic issues on the

national public policy agenda **Designing West Africa** Peter Schwab,2004-05-07 Publisher Description *Oil Exploration, Diplomacy, and Security in the Early Cold War* Roberto Cantoni,2017-03-27 The importance of oil for national military industrial complexes appeared more clearly than ever in the Cold War This volume argues that the confidential acquisition of geoscientific knowledge was paramount for states not only to provide for their own energy needs but also to buttress national economic and geostrategic interests and protect energy security By investigating the postwar rebuilding and expansion of French and Italian oil industries from the second half of the 1940s to the early 1960s this book shows how successive administrations in those countries devised strategies of oil exploration and transport aiming at achieving a higher degree of energy autonomy and setting up powerful oil agencies that could implement those strategies However both within and outside their national territories these two European countries had to confront the new Cold War balances and the interests of the two superpowers Human Rights Adamantia Pollis,Peter Schwab,2000 5 Human environmental rights Barbara Rose Johnston
