Francesca Mazzilli

Cities And Gods Religious Space In Transition Babesch Supplement:

Pantheon Joerg Rüpke, 2020-11-03 From one of the world's leading authorities on the subject an innovative and comprehensive account of religion in the ancient Roman and Mediterranean world In this ambitious and authoritative book J rg R pke provides a comprehensive and strikingly original narrative history of ancient Roman and Mediterranean religion over more than a millennium from the late Bronze Age through the Roman imperial period and up to late antiquity While focused primarily on the city of Rome Pantheon fully integrates the many religious traditions found in the Mediterranean world including Judaism and Christianity This generously illustrated book is also distinguished by its unique emphasis on lived religion a perspective that stresses how individuals experiences and practices transform religion into something different from its official form The result is a radically new picture of Roman religion and of a crucial period in Western religion one that influenced Judaism Christianity Islam and even the modern idea of religion itself *What's in a Divine Name?* Alaya Palamidis, Corinne Bonnet, 2024-03-18 Divine Names are a key component in the communication between humans and gods in Antiquity Their complexity derives not only from the impressive number of onomastic elements available to describe and target specific divine powers but also from their capacity to be combined within distinctive configurations of gods The volume collects 36 essays pertaining to many different contexts Egypt Anatolia Levant Mesopotamia Greece Rome which address the multiple functions and wide scope of divine onomastics Scrutinized in a diachronic and comparative perspective divine names shed light on how polytheisms and monotheisms work as complex systems of divine and human agents embedded in an historical framework Names imply knowledge and play a decisive role in rituals they move between cities and regions and can be translated they interact with images and reflect the intrinsic plurality of divine beings This vivid exploration of divine names pays attention to the balance between tradition and innovation flexibility and constraints to the material and conceptual parameters of onomastic practices to cross cultural contexts and local idiosyncrasies in a word to human strategies for shaping the gods through their names **Pantheon** Joerg Rüpke, 2018-02-20 From one of the world's leading authorities on the subject an innovative and comprehensive account of religion in the ancient Roman and Mediterranean world In this ambitious and authoritative book J rg R pke provides a comprehensive and strikingly original narrative history of ancient Roman and Mediterranean religion over more than a millennium from the late Bronze Age through the Roman imperial period and up to late antiquity While focused primarily on the city of Rome Pantheon fully integrates the many religious traditions found in the Mediterranean world including Judaism and Christianity This generously illustrated book is also distinguished by its unique emphasis on lived religion a perspective that stresses how individuals experiences and practices transform religion into something different from its official form The result is a radically new picture of both Roman religion and a crucial period in Western religion one that influenced Judaism Christianity Islam and even the modern idea of religion itself Drawing on a vast range of literary and archaeological evidence Pantheon shows how

Roman religion shaped and was shaped by its changing historical contexts from the ninth century BCE to the fourth century CE. Because religion was not a distinct sphere in the Roman world, the book treats religion as inseparable from political, social, economic, and cultural developments. The narrative emphasizes the diversity of Roman religion, offers a new view of central concepts such as temple, altar, and votive, reassesses the gendering of religious practices, and much more. Throughout, Pantheon draws on the insights of modern religious studies but without modernizing ancient religion. With its unprecedented scope and innovative approach, Pantheon is an unparalleled account of ancient Roman and Mediterranean religion.

Early Christian Encounters with Town and Countryside Markus Tiwald, Jürgen Zangenberg, 2021-04-12

Ever since Jesus walked the hills of Galilee and Paul travelled the roads of Asia Minor and Greece, Christianity has shown a remarkable ability to adapt itself to various social and cultural environments. Recent research has demonstrated that these environments can only be very insufficiently termed as rural or urban. Neither was Jesus Galilee only rural nor Paul's Asia only urban. On the background of ongoing research on the diversity of social environments in the Early Empire, this volume will focus on various early Christian worlds as witnessed in canonical and non-canonical texts. How did Early Christians experience and react to rural and urban life? What were the mechanisms behind this adaptability? Papers will analyze the relation between urban Christian beginnings and the role of the rural Jesus tradition. In what sense did the image of Jesus, the Galilean village Jew, change when his message was carried into the cities of the Mediterranean world from Jerusalem to Athens or Rome? Papers will not only deal with various personalities or literary works whose various attitudes towards urban life became formative for future Christianity. They will also explore the different local milieus that demonstrate the wide range of Christian cultural perspectives.

Pearl of the Desert Rubina Raja, 2022

Palmyra has long attracted the attention of the world. Even before its rediscovery in the eighteenth century, it had gained legendary status because of its third-century CE Queen Zenobia, who had rebelled against the Romans and expanded Palmyra's territory into that of an Empire stretching from what is modern eastern Turkey into Egypt. The city and its queen featured in European art and literature already in the century. Zenobia's Palmyra already existed as a mirage in the minds of the educated Europeans. Even though Zenobia's reign and extensive power was a fairly short interlude and the Romans struck hard against the Palmyrenes, devastating the city, this path to imperial power was one which tells us an immense amount about Palmyrene identity in the period before the devastation. While Zenobia has gained renewed interest among both scholars and the press, and while she has served as a political symbol for Syria's president, Assad, a statue of her was recently erected in Damascus, the time leading up to her reign still remains underexplored. With the current situation in Syria, a researched-based narrative is urgently needed to communicate the importance of this site to the general public. Palmyra has over the last years been used as a symbol of the resistance of the rebels, the power of ISIS over the region, as well as the supremacy of the Syrian state. UNESCO and the Russians have together with the Syrian state taken a particular interest in Palmyra and in monopolizing the potential rebuilding of the site.

after the destruction and looting of the past several years have subsided We are so to speak standing at yet another turning point in Palmyra's long history where history is being reinvented actively by several parties There can be no doubt that the time is ripe for a book on the archaeology and history of Palmyra as well as an analysis of the current situation including the destruction and illicit trafficking of material remains from Palmyra These three main topics will together highlight the ways in which this fascinating site has again and again captured the world's focus Organized in nine chapters this compact book will set out to provide an introduction for students and general readers Following two overview chapters the next six will give a chronological narrative of Palmyra from the late Hellenistic period through to Rome's destruction in 273 CE and its survival in the Byzantine and medieval Islamic periods The book ends with a shorter conclusion chapter which will summarize the most important findings and conclusions of the chapters of the book and will set out a number of lines of enquiry which could be taken up in research and cultural heritage management over the coming years The result will be the best and most up to date account of Palmyra in English

Class and Power in Roman Palestine Anthony Keddie, 2019-10-03 Examines how socioeconomic relations between Judaeans elites and non elites changed as Palestine became part of the Roman Empire

Rural Cult Centres in the Hauran: Part of the broader network of the Near East (100 BC-AD 300) Francesca Mazzilli, 2018-12-21 The first comprehensive multidisciplinary analysis of rural cult centres in the Hauran southern Syria from the pre Roman to the Roman period 100 BC AD 300 This volume re evaluates the significance of contacts between the elite of the Hauran and other cultures of the Near East in shaping cult sites

Religiöse Transformationen im Römischen Reich Jörg Rüpke, 2018-11-05 Die römische Kaiserzeit stellt insgesamt eine Epoche dar deren religiöse Transformationen die nachantike mediterrane europäische und westasiatische Religionsgeschichte geprägt haben Trotz oder gerade wegen der Fülle der Details die wir aus dieser Epoche kennen bleibt der Versuch ein Modell für die Beschreibung oder gar Erklärung dieser Veränderungen zu entwerfen eine große Herausforderung Jörg Rüpke nähert sich einem solchen Modell von zwei Seiten Zum einen legt er für die Beschreibung den Interpretationsrahmen einer gelebten antiken Religion zu Grunde Der individuellen Aneignung religiöser Traditionen und der daraus resultierenden Dynamik wird hohe Aufmerksamkeit eingeräumt Gruppenbildungen werden erst als Folgeerscheinungen analysiert Zum anderen wird der große politische Raum des Imperium selbst als struktureller Rahmen individuellen Handelns interpretiert in dem neue Normen religiösen Handelns entwickelt werden

Cities And Gods Religious Space In Transition Babesch Supplement Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cities And Gods Religious Space In Transition Babesch Supplement has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cities And Gods Religious Space In Transition Babesch Supplement has opened up a world of possibilities. Downloading Cities And Gods Religious Space In Transition Babesch Supplement provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cities And Gods Religious Space In Transition Babesch Supplement has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cities And Gods Religious Space In Transition Babesch Supplement. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cities And Gods Religious Space In Transition Babesch Supplement. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cities And Gods Religious Space In Transition Babesch Supplement, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cities And Gods Religious Space In Transition Babesch Supplement has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cities And Gods Religious Space In Transition Babesch Supplement Books

What is a Cities And Gods Religious Space In Transition Babesch Supplement PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Cities And Gods Religious Space In Transition Babesch Supplement PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Cities And Gods Religious Space In Transition Babesch Supplement PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Cities And Gods Religious Space In Transition Babesch Supplement PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Cities And Gods Religious Space In Transition Babesch Supplement PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like

Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
