Cats in Hats Diana Hansen-Young, 2015-11-24 A whimsical adult coloring book featuring adorable hand drawn cats in heartwarming scenes and elaborate hats from long standing coloring artist Diana Hansen Young **Was the Cat in the Hat Black?** Philip Nel, 2017 Racism is resilient duplicitous and endlessly adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is structural it s embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people Was the Cat in the Hat Black presents five serious critiques of the history and current state of children s literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as The Cat in the Hat s roots in blackface minstrelsy and more opaque like how the children s book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children s literature While Was the Cat in the Hat Black does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism **No Kids Allowed** Michelle Ann Abate, 2020-10-13 Children s literature isn t just for children anymore This original study explores the varied forms and roles of children s literature when it s written for adults What do Adam Mansbach s Go the F k to Sleep and Barbara Park s MA There s Nothing to Do Here have in common These large format picture books are decidedly intended for parents rather than children In No Kids Allowed Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children s literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive The Art Nouveau Coloring Book Hello Charlie, 2024-02-13 Take a delightful step back into a bygone period with The Art Nouveau Coloring Book Hats Cats Vintage Romance a 1 Best Seller now available exclusively on Amazon This coloring book for adults and teenagers transports you to the stylish and fantastical era of the late 19th and early 20th centuries Drawing inspiration from the acclaimed creations of world reknowned aythors Louis Comfort Tiffany and Alphonse Mucha this book weaves the ornate flowing lines and nature inspired motifs typical of Art Nouveau with charming depictions of stylish people elegant hats

Mark Rothko David Anfam,1998-09-10 This is the first volume of the catalogue raisonne of the work of Mark Rothko the abstract artist It documents Rothko s entire output of paintings on canvas and panel reproducing all the works in colour An introductory text investigates the essential features of Rothko s art

Lost Priscilla Audette,2018-02-21 After suffering a blow to the head that robs her of herself the aptly named Faith struggles against almost insurmountable odds to reclaim herself and her life as she knew it First a disclaimer although the protagonist in this novel suffers an injury Lost is not a medical or health book Rather it is a testimony to the resilience of the human spirit that can rise like the proverbial phoenix after suffering a nearly lethal trauma Faith is a character who finds herself in a situation that will be identifiable to many readers Who hasn t known someone who has suffered a concussion or worse To find oneself lost in the labyrinth of the mind because the brain has been injured is taking the hero s journey to a new and challenging level The hero s journey resonates in all our psyches and that is why stories like The Wizard of Oz or Star Wars grab at us on a visceral level Faith s Call to Adventure is a car accident She doesn t have the choice of refusal instead she is sucked into a new and scary world when life as she knows it disappears She finds mentors is tested and ultimately fights her way back not to her old self but evolves into someone who has gained knowledge and is better for it To come to know Faith is to become her cheerleader

Readers will keep reading not only because the writing is compelling but because they want her to succeed On some level her successes will be their successes no matter what different and challenging paths their own lives follow Just like Faith we all deal with the trials and tribulations life tosses our way and we are usually better for the experiences Faith is every woman Seismic Influences Sylvia What an insightful view into life as it was in the early 70s Dakota Jean I found myself thinking more about philosophy of life after reading this novel than after reading non fiction books written for that purpose Court Appointed Lily The best social commentary novel this year Joe Anne This is one of those rare books that keeps you turning the pages and wishing you could read faster while knowing that at the same time you don t want the story to end Lost A Novel was a finalist in the 2018 International Book Awards *Art Digest* ,1926 Includes section The great calender of American exhibitions **Building News** ,1883
