A Daughter's Broken Heart and the Daddy Who Restored It Amanda Tungseth, 2021-04-22 A story of pain brokenness redemption grace and unconditional love Through a broken relationship with her father A Daughter s Broken Heart and the Daddy Who Restored It paints a beautiful picture of how our Heavenly Father steps into the empty places of our lives and fills them with His unconditional love and grace After spending most of her life searching to find love many poor choices and a broken marriage God met Amanda on her kitchen floor as a single mother at the end of her rope a broken woman searching for hope and love He picked her up loved her and showed her His amazing grace And through His forgiveness He showed her how to forgive Her story will touch your heart and encourage you into a deeper walk with the Father who loves you more than you can imagine *Dear Child, Love, Daddy* Anonymous, 2008-07 Dear Child Love Daddy is a compilation of 365 letters from a loving father to his forcibly estranged child These letters are masterfully written and woven together and their endearing style has a way of engaging the reader The author uses wit humor thought provoking questions and quotations from the Bible to impart love acceptance interest encouragement and gentle instruction to his young child Perhaps you ve experienced a less than ideal relationship with your father or maybe you are a dad who wants to be there more for your child Perhaps you re a mother whose child needs more from his her father Or maybe you just want to read an endearing account of a father s love for his child Then Dear Child Love Daddy delivers This faithful husband and father of three has felt the horror of having one of his children kidnapped during a heated custody battle with his ex wife Up against a high powered family with deep pockets which used lies and exploitation this disabled man lost custody of his beloved child He meets pain and terror with fortitude and perseverance Remaining undaunted in his desire to honor God and to be the father that his child needs he writes daily Having never received a single letter in return he assumes the youngster who can barely read has not been receiving his letters Perhaps the best way to describe this anonymous author is by the words of his two adoptive children The first says He s a really cool and fun dad And the second says He s the best dad in the world He could be doing other things but instead he plays with us *How to Love My Children Sweetheart* Hong Hong, 2020-01-06 A green plum with deep roots of love Ruoli s bamboo horse a dream like love is only limited to dreams She thought he hated her He thought she had a good man The misplaced thought caused the two of them to be predestined for each other They had thought that they would never meet again but fate had dragged them all together They had tortured each other loved each other but they could not rely on each other If true love please love deeply The past oath was still fresh in their mind How could they resolve the grudges between two generations of people and break through the mortal limits to stay together **What Cloud Is My Daddy In?** Kim Vesey, 2020-01-15 Experiencing loss whether sudden or expected is extremely challenging at any age Since children often do not have friends who have had a similar experience they may find this to be a scary overwhelming and lonely time A little turtle loves doing fun things with Daddy including playing golf

together Suddenly the turtle s world is turned upside down when Dad falls ill and goes to the hospital When the turtle s mother says Daddy has gone to heaven to live with God the turtle must somehow learn to live without him The turtle misses Daddy so much While the little turtle wonders if Dad is living in a cloud family members and friends help lead the turtle through many feelings during the first year following the dad s death Through this experience the young turtle learns that it is okay to cry laugh and be happy as well as to forever love Daddy In this beautifully illustrated and touching tale a young turtle learns how to deal with loss and grief after the turtle s father suddenly dies The turtle is left believing Dad is watching and sending love from his heavenly cloud This book provides numerous recommendations for adults supporting the grieving child These include suggestions for honoring memories creating tangible remembrances and working through shared grief in a gentle and supportive way

You Ain't My Dad Arnold Shurn,2015-12-16 I started this journey around 2001 to write a book about the role that fathers did not play or could not play but wanted to play in the lives of their offspring However due to internal factors and external factors fathers did not meet the expectations of society nor their childs or of their own This book is not designed to be an outlet for men to berate women about them having to pay child support but more about the experiences men go through from their lenses I want to reiterate the point that this is not an attempt to influence the courts or the court of public opinion to alleviate the males responsibility of his financial obligations I have witnessed firsthand the struggle of single mothers and the things they have to endure However there are elements out there that want to portray men as the culprit of some sort of dark evil element that is causing the family dynamic to be annihilated There are facets involved in the complexities of raising a family unfortunately the men roles are vanishing There are systems designed to alter the natural function that the fathers play in their children lives This book will attempt to input a collage of ideas from the author to paint the picture of the challenges fatherless fathers encounters in their pursuit to be fathers

Ursula M. Anderson MD,2011-02-01 What if we could find the switch to turn off the violence in our world What if we discovered that the keys to ending the generation upon generation cyclic nature are forged within the smallest of children the newborn and the yet to be born What happens at birth and in the first years of life is built upon the foundations laid by the quality of energy conveyed at conception and experienced during intra uterine development It is from these many storied domains built into our memories and consciousness that the belief systems and thus the feelings and behavior of our adult lives derive Thus if we are to moderate the trauma of worldwide violence we must begin to do so with children and their beginnings **Victims and Survivors' Own Stories of Intrafamilial Child Sexual Abuse** Steve Broome,Anna
