Visit Design.McDonalds.com for downloadable assets, additional guidance, training tools, application inspiration and case studies.

Our design system is a living, breathing system. It's not a static set of rules. It's a framework that evolves with us. It's a system that's always in motion. It's a system that's always changing. It's a system that's always growing. It's a system that's always improving. It's a system that's always becoming.

Our brand promise is at the heart of everything we do.

Making Delicious, Feel-Good Moments Easy for Everyone.

Our visual identity principles guide our thinking and approach.

Confidently humble

Building authentic voice and style across us is the bold, single essence of McDonald's. It's doesn't add, take it easy. Negative space is positive. We don't follow category norms. Instead, we define them.

Familiar yet surprising

Modern, refreshing, and unexpected interpretations that stay true to our brand heritage. Fresh ways of taking a playfulness that surprises and delights. Fun, without our audience, not at them. Success is inspiring a reaction.

Flawesome

Celebrate simple moments and imperfections that speak on a personal rather than corporate level. Play with context, scale, contrast, balance, movement and energy.

Brand architecture

Note: These guidelines relate only to the McDonald's masterbrand. Different rules and guidance may apply to McDonald's sub-brands and partners (e.g., McGrill's, Happy Meal, etc.).

Our goal

Create an inspirational design system that delivers on our brand promise and contemporizes our design approach globally.

Our philosophy

Every touchpoint is an opportunity for a Feel-Good Moment.

Our personality

Lighthearted
Welcoming
Dependable
Unpretentious
Playful

Corporate Identity Manual Mcdonalds

James Hammond

Corporate Identity Manual McDonalds:

The Design Manual David Whitbread, 2009 *The Design Manual* by David Whitbread is an indispensable and comprehensive reference for traditional and digital publishing. From beginners to professional graphic designers, desktop publishers and graphic design students, *The Design Manual* provides essential information on conceptual approaches, planning and project development techniques for print, web and multimedia production. Design tasks are divided into sections on publication, corporate identity on screen and advertising design. There is discussion of specific skills such as branding and logo design, stationery, catalogue, annual report and newsletter production, websites, storyboarding and animation techniques and more. The production section discusses layout and typography for print and screen, colour and colour systems, printing and finishing processes. With numerous checklists and practical tips throughout the text, *The Design Manual* has become a standard reference for anyone involved in or interested in design.

Corporate Communication Klement

Podnar, 2014-11-13 *Corporate Communication: A Marketing Viewpoint* offers an overview of the framework, key concepts, strategies and techniques from a unique marketing perspective. While other textbooks are limited to a managerial or PR perspective, this book provides a complete, holistic overview of the many ways communication can add value to an organization. Step by step, this text introduces the main concepts of the field, including discipline and function, frameworks, corporate identity, corporate and employer branding, corporate social responsibility, stakeholder management, storytelling, corporate associations, identification, commitment and acceptability. In order to help reinforce key learning points, grasp the essential facts and digest and retain information, the text offers a comprehensive pedagogy including chapter summaries, a list of key words and concepts, case studies and questions at the end of each chapter. Principles are illustrated through a wealth of real-life examples drawn from a variety of big, small, global and local companies such as BMW Group, Hilti, Lego, Mercator, Krka, Barilla, Domino's Pizza, Gorenje, Si Mobil, BP, Harley Davidson and Coca-Cola. This exciting new textbook is essential reading for all professional corporate marketing and communication executives as well as undergraduate and postgraduate students of marketing and public relations, not to mention managers who need a complete and accurate view of this increasingly important subject.
