Death Of A Hornet And Other Cape Cod Essays

Robert Finch

Death Of A Hornet And Other Cape Cod Essays:

Death of a Hornet and Other Cape Cod Essays Robert Finch, 2001-03-23 Essays on the natural history of the Cape Cod region document changes in the environment and in the author's life. Spanning more than 20 years, these essays record changes not only in the natural environment of Cape Cod but in the writer's own life. *Death of a Hornet* is one man's elegant rendering of Cape Cod, a sandy scrub-oaked, tough and vulnerable spit of land reaching out into the Atlantic Ocean. These stories are natural adventures that Finch's previous readers have come to expect, as well as longer meditations on the future of the Cape's fragile environment, on living in one place for a long time, and on the limitations of human sympathy. *The Outer Beach* Robert Finch, 2017-05-09 Finch is today's best, most perceptive Cape Cod writer in a line extending all the way back to Henry David Thoreau. *Christian Science Monitor*. Weaving together Robert Finch's collected writings from over fifty years and a thousand miles of walking along Cape Cod's Atlantic coast, *The Outer Beach* is a poignant, candid chronicle of an iconic American landscape anyone with an appreciation for nature will cherish. *Adventure Kayaking: Cape Cod and Marthas* David Weintraub, 2010-05-21 Discover what the Pilgrims missed when they moved to Plymouth after landing on Cape Cod. Explore the numerous bays, ponds, harbors, marshes, and tidal creeks of this New England treasure. In the expanded second edition of this classic book, author David Weintraub adds kayaking adventure off Martha's Vineyard's shores. From one-hour trips to all-day excursions, kayakers of every skill level will find a route to explore. Trip descriptions, maps, launch sites, and driving directions, plus nearby historical and scenic attractions, make this book a must-have guide to the solitude and beauty of these regions. **Nature and Culture in the Northern Forest** Pavel Cenkl, 2010-03-15 Nearly 30 million acres of the Northern Forest stretch across New York, Vermont, New Hampshire, and Maine. Within this broad area live roughly a million residents whose lives are intimately associated with the forest ecosystem and whose individual stories are closely linked to the region's cultural and environmental history. The fourteen engaging essays in *Nature and Culture in the Northern Forest* effectively explore the relationships among place, work, and community in this complex landscape. Together, they serve as a stimulating introduction to the interdisciplinary study of this unique region. Each of the four sections views through a different lens the interconnections between place and people. The essayists in *Encounters* have their hiking boots on as they focus on personal encounters with flora and fauna of the region. The energizing accounts in *Teaching and Learning* question our assumptions about education and scholarship by proposing invigorating collaborations between teachers and students in ways determined by the land itself, not by the abstractions of pedagogy. With the freshness of Thoreau's irreverence, the authors in *Rethinking Place* look at key figures in the forest's literary and cultural development to help us think about the affiliations between place and citizenship. In *Nature as Commodity*, three essayists consider the ways that writers from the nineteenth and early twentieth centuries thought about nature as a product and thus how their conclusions bear on the contemporary retailing of place. The writers in *Nature and Culture in the Northern Forest* reveal the rich affinities between a

specific place and the literature thought and other cultural expressions it has nurtured Their insightful and stimulating connections exemplify adventurous bioregional thinking that encompasses both natural and cultural realities while staying rooted in the particular landscape of some of the Northeast s wildest forests and oldest settlements **The Outer Beach** Robert Finch,2017-05-09 Finch is today s best most perceptive Cape Cod writer in a line extending all the way back to Henry David Thoreau Christian Science Monitor Weaving together Robert Finch s collected writings from over fifty years and a thousand miles of walking along Cape Cod s Atlantic coast The Outer Beach is a poignant candid chronicle of an iconic American landscape anyone with an appreciation for nature will cherish *The Soul of Creative Writing* Richard Goodman,2017-07-05 I have a faith in language said the poet W S Merwin It s the ultimate achievement that we as a species have evolved so far Language is a deep ocean of living words as varied as undersea life It is a gift inherited by each person when he or she is born it can be corrupted and regulated but it cannot be owned It is an enormous complex inexhaustible gift The Soul of Creative Writing is a tribute to language and to its potentials It explores the elements of language style rhythm sound and the choice of the right word Richard Goodman paints an image of how language can produce a life and meaning that otherwise cannot exist in the symbols themselves Goodman s stunningly creative collection was written after a lifetime of working and struggling with language He collects rich examples from writers of the past and present both great and small and uses them to illustrate how each element of our written language can be used The book begins with an analysis of words and how they can be used to create music on the page Goodman uncovers the strength of words writing about the shades of meaning that make the search for the exact word both arduous and immensely rewarding He discusses how to find the proper title and how to find a fitting subject He show how to create nonfiction work that is vivid and memorable through the use of the same techniques fiction writers employ Goodman s volume is written with humor and clarity with fascination and reverence Writers will find it an indispensable source of creative inspiration and instruction In Goodman s words reading is a tour of a writer s efforts at manipulating language to create art to create flesh and blood and mountains cities homes and gardens out of inky symbols on the page To literary critics this book will be a guide to understanding the tools and devices of great writing **Summers in Squid Tickle** Robert Finch,2025-06-17 An acclaimed nature writer s moving recollection of his two decades as a summer resident of a Newfoundland fishing village originally known as Squid Tickle Robert Finch arrived in Newfoundland in the summer of 1995 heartsick directionless his old life on Cape Cod in tatters Burnside located in Newfoundland s rugged northeast seemed like a good place to heal The coastal village was home to just fifty year round residents and accessible only by a hundred mile ferry crossing Finch was drawn in by the landscape of low ridges and archipelagos of rocky islands but he returned to Burnside for its strong sense of community and the possibility that it might provide a new pattern for his ow life Eventually Finch became a summer resident buying a house playing organ for the church and fishing the area s waters Offering a portrait of the Newfoundland character and culture Summers in Squid Tickle

explores how three generations of the village have grappled with the changes of the past century from the rise and collapse of commercial cod fishing and the migration of young people away from the outport to the distant hope for tourism and new industries to sustain a disappearing way of life With characteristically elegant prose and deep sensitivity Finch introduces us to Squid Tickle s inhabitants a collection of hardy fishermen vigorous retirees and close neighbors as well as the woman who would become his wife Even as the fish in Squid Tickle s waters vanish Finch sketches the enduring relationship of a village with the sea for food work leisure and a rich community life in the midst of an unforgiving but stunning landscape Summers in Squid Tickle speaks to the desire we all have in our era to seek quiet and to reevaluate our connection to each other and the natural world

The Iambics of Newfoundland Robert Finch,2010-05-07 In these evocative sketches stories and essays one of our finest observers of the natural world explores the stunning but often dangerously inhospitable island of Newfoundland Channeling rather than overwhelming his subject Finch s caring han Fodor's Cape Cod, 21st Edition Fodor's,Fodor's Travel Publications, Inc. Staff,2002-04 No matter what your budget or whether it s your first trip or fifteenth Fodor s Gold Guides get you where you want to go In this completely up to date guide our experts who live in Cape Cod give you the inside track showing you all the things to see and do from must see sights to off the beaten path adventures from shopping to outdoor fun Fodor s Cape Cod shows you hundreds of hotel and restaurant choices in all price ranges from budget friendly B Bs to luxury hotels from casual eateries to the hottest new restaurants complete with thorough reviews showing what makes each place special The Smart Travel Tips A to Z section helps you take care of the nitty gritty with essential local contacts and great advice from how to take your mountain bike with you to what to do in an emergency Your personal supply of Post it flags makes it easy to mark your favorite listings Plus web links costs and mix and match itineraries make planning a snap

The Primal Place Robert Finch,2014-04-14 From acclaimed author and naturalist Robert Finch a richly detailed observance of Cape Cod s seemingly vanished natural and human past as it clings to its present landscape This is a voyage of discovery a personal odyssey into the nature of a single Cape Cod neighborhood It is a rich portrait beautifully drawn of a landscape and a community whose essential character lies in their penetrating interface with the sea But it is also an individual quest a journey of the heart and mind in which the author seeks entrance or rather re entrance into that vast living maze stretching out beyond my lines of sight
