Corporate Innovation ,2015 *Corporate Innovation (RLE Marketing)* Gordon Foxall,2014-09-15 This volume is concerned with understanding the factors that determine innovation and its contribution to corporate achievement It considers the whole range of innovation consumer and industrial and both final and intermediate buying behaviour Although the tenor of the book is towards understanding and evaluation its ultimate concerns are with the practicalities of marketing and corporate innovation Corporate Innovation G. R. Foxall,1984-01-01 *Consumer Behavior* Shailendra Kumar Singh, Dr. Jay Prakash Verma, Dr. D. Sidhardha, Dr. Rajlaxmi Pujar, Consumer Behavior is the study of how individuals and groups make decisions to purchase use and dispose of goods and services It examines psychological social and cultural factors influencing buying behavior helping businesses design effective marketing strategies *Proceedings of IAC 2017 in Vienna* group of authors,2017-08-15 International Academic Conference on Teaching Learning and E learning and International Academic Conference on Management Economics and Marketing Vienna Austria 2017 IAC MEM 2017 IAC TLEI 2017 August 18 19 2017 Marketing (RLE Marketing) Arnold K. Weinstein,2014-09-19 Drawing from the behavioural sciences management theory quantitative decision theory and marketing theory this book presents a comprehensive approach to marketing decision making and illustrates why a marketing orientation is necessary for corporate survival Economic Value Added for Competitive Advantage Saurabh Sri,2019-01-15 Economic Value Added EVA has been a much discussed concept that has assisted in the turnaround of a number of multinational enterprises across the world It is based upon the theory of economic profit that enables companies to capture and create wealth both for themselves and their stakeholders The strategic decisions of performance and posturing can be grounded upon gaining competitive advantage through mapping economic profits Existing studies on competitive advantage primarily discuss the meaning definitions and sources thereof However there are few contributions that discuss how competitive advantage can be measured specifically with respect to Indian companies This book bridges that gap and advocates that the EVA can be used to measure and establish the competitive advantage for Indian firms It is based upon an in depth study of such companies to explore the extent of use of EVA in the top BT500 companies in India It shows that the companies that use EVA have a distinct competitive advantage over their competitors **Marketing Organisation (RLE Marketing)** Nigel Piercy,2014-09-19 Aimed primarily at the MBA student or those preparing for professional qualifications in the marketing field this book analyses the process of decision making in marketing and the role of organisation It examines The study of the organisational location and

positioning of the marketing function The analytical perspectives of information processing theories of organisation The relationship between structure and information Organisational processes **Innovation and New Product Marketing (RLE Marketing)** David F. Midgley, 2014-09-15 This volume formulates and presents a general theory of innovative behaviour which is applicable to diverse market situations Having provided some support for the theory the author demonstrates how it can be usefully applied by indicating which management techniques are relevant to new product management and which are not The author suggests certain systematic procedures by which an organisation can radically improve both its short and long run chances of launching successful new products
