Corporate Property Management Corporate Property Management:

Corporate Real Estate Asset Management Barry P. Haynes, Nick Nunnington, 2010 Real Estate is not only one of the most valuable assets for a business in terms of visual representation of the company but also one of the most costly assets. It is therefore important for those studying and practising in Real Estate and Property Management to know how to minimise costs and maximise profit in order to manage these assets efficiently. Corporate Real Estate Management considers the commercial property market from the perspective of the business occupier offering contemporary solutions to problems and innovative and inspiring added value action plans.
