and a statesman for our troubled times yet he is intensely human and accessible. He is an inspiration to millions yet many feel as if he touches and speaks to them personally. He is a Buddhist but belongs to all humanity. His Holiness is one of the most recognizable and recognized faces in the free world. This remarkable book is an edited compilation of mostly personal conversations spanning nearly 20 years between the Dalai Lama and Rajiv Mehrotra, one of his early disciples who is now the trustee and secretary of the Foundation for Universal Responsibility which was established with the funds from the Nobel Peace Prize. Here the Dalai Lama is a teacher to a spiritual aspirant, a divine master and a temporal leader, an ambassador for Tibet and a lovable guru, philosopher to the whole world, a practitioner of the 2,500-year-old teachings of Buddhism, a Tibetan Buddhist and an interfaith ambassador and an intense practitioner of mind training and an inveterate optimist. His multiple hats may appear contradictory at times but he balances them all, living his life with ease and happiness. Within these pages the Dalai Lama's disarming candor, his deep empathy for his students' quest and his wisdom, garnered not just from texts and scriptures but also from an active engagement with life, offer invaluable insights to us all on how we may find true happiness in our lives.
