Kyle, 2014-01-07 A Companion to Sport and Spectacle in Greek and Roman Antiquity presents a series of essays that apply a socio historical perspective to myriad aspects of ancient sport and spectacle Covers the Bronze Age to the Byzantine Empire Includes contributions from a range of international scholars with various Classical antiquity specialties Goes beyond the usual concentrations on Olympia and Rome to examine sport in cities and territories throughout the Mediterranean basin Features a variety of illustrations maps end of chapter references internal cross referencing and a detailed index to increase accessibility and assist researchers **Violence in Roman Egypt** Ari Z. Bryen, 2013-08-21 What can we learn about the world of an ancient empire from the ways that people complain when they feel that they have been violated What role did law play in people's lives And what did they expect their government to do for them when they felt harmed and helpless If ancient historians have frequently written about nonelite people as if they were undifferentiated and interchangeable Ari Z. Bryen counters by drawing on one of our few sources of personal narratives from the Roman world over a hundred papyrus petitions submitted to local and imperial officials in which individuals from the Egyptian countryside sought redress for acts of violence committed against them By assembling these long neglected materials also translated as an appendix to the book and putting them in conversation with contemporary perspectives from legal anthropology and social theory Bryen shows how legal stories were used to work out relations of deference within local communities Rather than a simple force of imperial power an open legal system allowed petitioners to define their relationships with their local adversaries while contributing to the body of rules and expectations by which they would live in the future In so doing these Egyptian petitioners contributed to the creation of Roman imperial order more generally **The Oracle** ,1881 *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1897 **Study & Answer Guide Dr. Martin Luther**
