Lowell Holmes

Cruising With Robert Louis Stevenson

Cruising with Robert Louis Stevenson Oliver S. Buckton, 2007 *Cruising with Robert Louis Stevenson* Travel Narrative and the Colonial Body is the first book length study about the influence of travel on Robert Louis Stevenson's writings both fiction and nonfiction Within the contexts of late Victorian imperialism and ethnographic discourse the book offers original close readings of individual works by Stevenson while bringing new theoretical insights to bear on the relationship between travel authorship and gender identity in the Victorian fin de siècle Oliver S Buckton develops cruising as a critical term linking Stevenson's leisurely mode of travel with the striking narrative motifs of disruption and fragmentation that characterize his writings Buckton traces the development of Stevenson's career from his early travel books to show how Stevenson's major works of fiction such as *Treasure Island* *Kidnapped* and *The Ebb Tide* draw on innovative techniques and materials Stevenson acquired in the course of his global travels Exploring Stevenson's pivotal role in the revival of romance in the late nineteenth century *Cruising with Robert Louis Stevenson* highlights Stevenson's treatment of the human body as part of his resistance to realism arguing that the energies and desires released by travel are often routed through disturbingly resistant or darkly comic corporeal figures Buckton gives extensive attention to Stevenson's writing about the South Seas arguing that his groundbreaking critiques of European colonialism are formed in awareness of the fragility and desirability of Polynesian bodies and island landscapes *Cruising with Robert Louis Stevenson* will be indispensable to all admirers of Stevenson as well as of great interest to readers of travel writing Victorian ethnography gender studies and literary criticism

Treasured Islands Lowell Don Holmes, 2001 Not only the British writer himself already famous for novels and poems but his family with him took to the sea between 1888 and 1890 to search Polynesia Micronesia and Melanesia for Robert's health and adventure Writer and film maker Holmes emeritus anthropology Wichita State U Kansas has

Robert Louis Stevenson and the Art of Collaboration Murfin Audrey Murfin, 2019-08-05 Explores Robert Louis Stevenson's collaborative process Contains new readings of thirteen works by Robert Louis Stevenson including several rarely discussed Sheds light on connections between authorship celebrity the literary marketplace and the creative process Supported by extensive manuscript research This book investigates Stevenson's literary collaborations with family and friends as he travelled Scotland America and the Pacific With critical readings of both major and minor Stevenson texts supported and contextualised by unpublished manuscripts and letters by both Stevenson and those he wrote with this book argues that Stevenson's writings are both a product of and a meditation on collaborative writing Stevenson's self reflective body of work reimagines late Victorian authorship by examining the ways that authors choose material negotiate the marketplace and ultimately maintain power over their own words or let that power go

Treasured Islands Lowell Holmes, 2002-02-28 *Robert Louis Stevenson* Richard Ambrosini, Richard Dury, 2006-04-04 Robert Louis Stevenson Writer of Boundaries reinstates Stevenson at the center of critical debate and demonstrates the sophistication of his writings and

the present relevance of his kaleidoscopic achievements While most young readers know Robert Louis Stevenson 1850 1894 as the author of *Treasure Island* few people outside of academia are aware of the breadth of his literary output The contributors to *Robert Louis Stevenson Writer of Boundaries* look with varied critical approaches at the whole range of his literary production and unite to confer scholarly legitimacy on this enormously influential writer who has been neglected by critics As the editors point out in their Introduction Stevenson reinvented the personal essay and the walking tour essay in texts of ironic stylistic brilliance that broke completely with Victorian moralism His first full length work of fiction *Treasure Island* provocatively combined a popular genre subverting its imperialist ideology with a self conscious literary approach Stevenson one of Scotland's most prolific writers was very effectively excluded from the canon by his twentieth century successors and rejected by Anglo American Modernist writers and critics for his play with popular genres and for his non serious metaliterary brilliance While Stevenson's critical recognition has been slowly increasing there have been far fewer published single volume studies of his works than those of his contemporaries Henry James and Joseph Conrad

Robert Louis Stevenson and the Great Affair Richard J. Hill, 2017-02-03 In his travel narrative *Travels with a Donkey in the Cevennes* 1879 Robert Louis Stevenson declares I travel not to go anywhere but to go I travel for travel's sake The great affair is to move Taking up the concepts of time place and memory the contributors to this collection explore in what ways the dynamic view of life suggested by this quotation permeates Stevenson's work The essays adopt a wide variety of critical approaches including post colonial theory post structuralism new historicism art history and philosophy making use of the vast array of literary materials that Stevenson left across a global journey that began in Scotland in 1850 and ended in Samoa in 1894 These range from travel journals letters and classic literary staples such as *Treasure Island* and *The Strange Case of Dr Jekyll and Mr Hyde* to rarely read masterpieces such as *The Master of Ballantrae* or *The Ebb Tide* While much recent scholarship on Stevenson foregrounds geography the present volume also examines the theme of movement across memory time and generic boundaries Taken together the essays offer a view of Stevenson that demonstrates how the protean nature of his literary output reflects the radical developments in science technology and culture that characterized the age in which he lived

The Last Cruise of the Saginaw George H. Read, 2022-09-15 In *The Last Cruise of the Saginaw* George H Read masterfully navigates the treacherous waters of maritime history chronicling the ill fated voyage of the USS *Saginaw* in 1870 Through a vivid narrative style rich in detail and imbued with period specific authenticity Read immerses readers in the dramatic events that unfolded during the ship's final journey His adept blending of historical fact and evocative storytelling highlights the perils of nautical exploration and the relentless struggle against nature all while situating the tale within the broader context of American naval history and the mid 19th century's colonial ambitions George H Read a seasoned mariner and maritime historian draws upon his deep seated passion for naval lore and shipwreck narratives that percolated throughout his personal experiences at sea His scholarly pursuits in maritime literature and history bring both

credibility and depth to his research allowing him to paint a compelling portrait of the Saginaw and its crew ultimately humanizing the broader historical forces at play during that tumultuous era This captivating account is not merely for history buffs it is a riveting narrative that engages readers with its rich detail and emotional resonance Recommended for enthusiasts of maritime adventure and historical fiction alike The Last Cruise of the Saginaw invites readers to reflect on the intersection of human endeavor and nature s ominous grandeur The Cruise of the Janet Nichol Among the South Sea Islands Fanny Van de Grift Stevenson,2004 In April 1890 the steamer Janet Nicoll set off from Sydney for a three month trading voyage through the central and western Pacific Aboard were seven white men a crew of forty islanders and one woman a short haired barefoot cigarette smoking American Fanny Van de Grift Stevenson wife of the famous novelist Robert Louis Stevenson The Cruise of the Janet Nichol is Fannys account of her journey with her husband and grown son through what are today the Cook Islands Tuvalu Kiribati and the Marshall Islands **Cruising World** ,2001-01 *Cruising World* ,1998-01

Enjoying the Song of Term: An Mental Symphony within **Cruising With Robert Louis Stevenson**

In a global taken by monitors and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony developed by the published term often disappear into the background, eclipsed by the constant noise and disruptions that permeate our lives. But, situated within the pages of **Cruising With Robert Louis Stevenson** a marvelous fictional prize overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this charming masterpiece conducts readers on an emotional trip, skillfully unraveling the hidden songs and profound affect resonating within each cautiously crafted phrase. Within the depths of the moving analysis, we can explore the book is central harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
