

The background of the entire image is a long-exposure photograph of a city street at night. The street is wet, reflecting the lights from the buildings and cars. On the left, there are tall, multi-story buildings with many windows. On the right, there are more buildings, some with red brick facades. In the center of the street, several cars are visible, their headlights and taillights creating long, horizontal light trails due to the long exposure. The overall atmosphere is urban and somewhat mysterious.
