one soldier's journeys through battles in North Africa and Italy. It also touches on another soldier's experiences in the battle of the bulge. Family values and hard work help the characters survive this intensive period. Religious beliefs and Midwestern work ethics also help them prevail. The ability to endure personal tragedy, volcanoes, and battlefield carnage harden these young Americans for the tough road of life ahead. Inherent Chaos Terry Vinson, 2022-03-01. Diagnosed as terminally ill, Boone Harrison's final wish is to reunite with a long lost offspring he had once so callously abandoned. Unable to drive the required thousand plus miles required for the reunion, he hires Bradley Kane, a man facing down his own demons, to chauffeur him down the long winding trail from eastern Montana to northern Mississippi. As the three day odyssey transpires, the older man regales Kane with tales of a tragic family history spanning nearly three centuries, each story more cruel, sadistic, and horrifying than the last. In the face of the Boone Harrison's rapidly deteriorating health, the pair eventually arrive at the secluded, desolate country farmhouse of the mysterious kin he has so desperately sought. As night falls beneath a fittingly foreboding blood moon on the isolated ranch, a terrifying legacy will be either put to merciful rest or given new, horrific life.

American Spring Leigh Hiott, 2015-11-06. Can the hope of the world survive? Has our shining City on a hill lost its luster? Is Lady Liberty just a jaded icon of bygone days? Has the torch by the sea been extinguished? On a bend of the Congaree River outside Columbia, SC, a well developed militia has been hewn from 200 hundred acres of virgin forest of the Congaree Preserve. They fly the ubiquitous Stars and Bars of the Confederacy. It is land locked on three sides by the national forest and accessible only by boat. A large barge and a flotilla of boats service the unit. High Crimes and Treason are afoot. Jiggs Malone, an officer unjustly cashiered out of the Army, under a cloud, accidentally hits and kills the daughter of the Palmetto Brigades commander. He is caught up in the nationwide Militias planned uprising against our duly constituted government. They view the Second Amendment as a right to keep and bear arms for protection against a government that has overreached its constitutional authority. The hand of Destiny has dealt Jiggs a chance to redeem himself and remove the cloud of dishonor hanging over his head. Bold and diabolical attacks are coordinated to hit chemical plants, gasoline refineries, both nuclear and fossil fuel generating plants. America is in flames as the President looks out from the Oval Office. The novel rests with an audacious attack on the venerable George Washington Bridge. If the terrorist can lay the span of the George in the murky waters of the Hudson River, they will achieve a major coup. Can the attacks be foiled as Jiggs is reunited with his former comrades who serendipitously execute a low level drop at dusk as he returns from reconnoitering the militia? Can our democratic government, the envy of the world, prevail? *Airman's Information Manual*, 1971. **South Dakota's Black Hills Badlands** Barbara Tomovick, Kimberly Metz, Bert Gildart, Jane Gildart, 2002-08.
