Permanent Subcommittee on Investigations, 2008 Delinquent Elena Botella, 2022-10-11 Publisher's Weekly Top 10 Fall Release in Business and Economics A consumer credit industry insider turned outsider explains how banks lure Americans deep into debt and how to break the cycle Delinquent takes readers on a journey from Capital One's headquarters to street corners in Detroit kitchen tables in Sacramento and other places where debt affects people's everyday lives Uncovering the true costs of consumer credit to American families in addition to the benefits investigative journalist Elena Botella formerly an industry insider who helped set credit policy at Capital One reveals the underhanded and often predatory ways that banks induce American borrowers into debt they can't pay back Combining Botella's insights from the banking industry quantitative data and research findings as well as personal stories from interviews with indebted families around the country Delinquent provides a relatable and humane entry into understanding debt Botella exposes the ways that bank marketing product design and customer management strategies exploit our common weaknesses and fantasies in how we think about money and she also demonstrates why competition between banks has failed to make life better for Americans in debt Delinquent asks How can we make credit available to those who need it responsibly and without causing harm Looking to the future Botella presents a thorough and incisive plan for reckoning with and reforming the industry Finance 101: the Whiz Kid's Perfect Credit Guide Danny Singh, 2012-11-14 No Credit Bad Credit Average Credit Just Want To Learn About Finance Well congratulations because you have found the right book Not even the table of contents can show all the lessons contained within this book meant to help consumers fight all types of financial problems just as Danny Singh fights for his mother including avoiding a foreclosure reclaiming a repossessed car fixing credit avoiding deceptive loans as well as checking accounts filled with fees and getting denied credit applications approved In response to the student loans crisis looming in America and as a community college student himself Danny advocates going to a community or state college and doing the maximum number of classes is the best financial decision that can be made versus getting into 100 000 of debt Without needing bogus and expensive credit repair agencies Danny will emphasize the most effective debt repayment plans and methods to save money on everyday purchases allowing for consumers to be debt free in months instead of years Besides student loan debt Danny expresses credit unions are the solution for consumers to effectively pay off any type of debt such as credit cards auto loans and mortgages Being free of debt will cause their insurance premiums to decrease and increase their chances of better employment In addition consumers will be able to enjoy lives free of bankruptcy Saving for retirement and other financial goals will be a breeze Despite the financial conditions of a consumer or the economy perfect credit is never impossible and Danny proves this in Finance 101 The Whiz Kids Perfect Credit Guide If the knowledge in this book does not boost your credit scores and bank account balances then feel free to return or sell it The purchase of this book is the only
