Eminent Domain and Economic Growth Joaquin Jay Gonzalez III, Roger L. Kemp, Jonathan Rosenthal, 2018-05-29 Eminent domain is integral to a government's legal ability to take private property for a public purpose. If used correctly, the owners are paid the fair market value for their property; few citizens are inconvenienced, and everyone benefits. Bad faith abuses of eminent domain typically make the front pages of news outlets and receive news coverage from television stations in cities throughout our nation. To educate citizens and prevent future abuse, this book exposes both the good and the bad aspects of government's ability to use their power of eminent domain to acquire private property.
