Cultural Revolution Nineteenth Century Transatlantic:

The Cultural Revolution of the Nineteenth Century Márcia Abreu, Ana Cláudia Suriani da Silva, 2015-10-23 The beginnings of what we now call globalization dates from the early sixteenth century when Europeans in particular the Iberian monarchies began to connect the four parts of the world From the end of the eighteenth and throughout the nineteenth centuries technical advancements such as the growth of the European rail network and the increasing ease of international shipping narrowed the physical and imagined distances between different parts of the globe Books printed matter and theatrical performances were a crucial part of this process and the so called long nineteenth century saw a remarkable increase in readership and technological improvements that significantly changed the production of printed matter and its relationship with culture This book analyzes this sea change in knowledge and sharing of ideas through the prism of the transatlantic diffusion of French Brazilian Portuguese and English print cultures In particular it charts the circulation of printed matter publishers booksellers and actors between Europe and South America Featuring a new original essay from Roger Chartier *The Cultural Revolution of the 19th Century* is an essential new benchmark in global and transnational history

Transatlantic Revolutionary Cultures, 1789-1861 Charlotte A. Lerg, Hélène Tóth, 2017-11-06 *Transatlantic Revolutionary Cultures 1789-1861* argues that the revolutionary era constituted a coherent chapter in transatlantic history and that individual revolutions were connected to a broader transatlantic and transnational frame As a composite the essays place instances of political upheaval during the long nineteenth century in Europe and the Americas in a common narrative and offer a new interpretation on their seeming asynchrony In the age of revolutions the formation of political communities and cultural interactions were closely connected over time and space Reciprocal connections arose from discussions on the nature of history deliberations about constitutional models as well as the reception of revolutions in popular culture These various levels of cultural and intellectual interchange we term transatlantic revolutionary cultures Contributors are Ulrike Bock Anne Bruch Peter Fischer Mischa Honeck Raphael H. Rmann Charlotte A. Lerg Marc H. Lerner Michael L. Miller Timothy Mason Roberts and Helene Tóth

The Foreign Political Press in Nineteenth-Century London Constance Bantman, Ana Cláudia Suriani da Silva, 2017-12-14 In a period of turmoil when European and international politics were in constant reshaping immigrants and political exiles living in London set up periodicals which contributed actively to national and international political debates Reflecting an interdisciplinary and international discussion this book offers a rare long term specialist perspective into the cosmopolitan and multilingual world of the foreign political press in London with an emphasis on periodicals published in European languages It furthers current research into political exile the role of print culture and personal networks as intercultural agents and the dynamics of transnational political and cultural exchange in global capitals Individual chapters deal with Brazilian French German Indian Italian Portuguese Spanish Spanish American and Russian periodicals Overarching themes include a historical survey of foreign political groups present in London throughout the long

19th century and the causes and movements they championed analyses of the press in local and transnational contexts and a focus on its actors and on the material conditions in which this press was created and disseminated *The Foreign Political Press in Nineteenth Century London* is a useful volume for students and academics with an interest in 19th century politics or the history of the press *Transatlantic Culture in the Long Nineteenth Century* Howard LeRoy Malchow, 2025-10-30 Ranging through the long nineteenth century this book explores the evolving cultural relationship between Britain and the United States during this period From language speech and racial attitudes to imaginings of the Western frontier travel memoirs the role of theatre and Anglophilia and Anglophobia it shows how actors on both sides of the Atlantic expressed understanding of themselves and their not so foreign Other Tracing the ways in which these cultural activities served to imagine shape confirm and maintain cultural topographies it shows how they constructed Anglo American differences which endure today It challenges narratives of fixed national identity by emphasising cultural borrowing hybridity and shifting perspectives in an era of faster easier transatlantic and American continental travel and promotes an understanding of how these identities were both entrenched and challenged **Transatlantic Literary Exchanges, 1790-1870** Dr Julia M Wright, Dr Kevin Hutchings, 2013-05-28 Exploring the ways in which transatlantic relationships functioned in the nineteenth century to unsettle hierarchical models of gender race and national and cultural differences this collection demonstrates the generative potential of transatlantic studies to loosen demographic frames and challenge conveniently linear histories The contributors take up a rich and varied range of topics including Charlotte Smith's novelistic treatment of the American Revolution *The Old Manor House* Anna Jameson's counter discursive constructions of gender in a travelogue Felicia Hemans Herman Melville and the Queer Atlantic representations of indigenous religion and shamanism in British Romantic literary discourse the mid nineteenth century transatlantic abolitionist movement the transatlantic adventure novel the exchanges of transatlantic print culture facilitated by the Minerva Press British and Anglo American representations of Niagara Falls and Charles Brockden Brown's intervention in the literature of exploration Taken together the essays underscore the strategic power of the concept of the transatlantic to enable new perspectives on the politics of gender race and cultural difference as manifested in late eighteenth and nineteenth century Britain and North America *The Transatlantic Circulation of Novels Between Europe and Brazil, 1789-1914* Márcia Abreu, 2017-03-28 This book brings a renewed critical focus to the history of novel writing publishing selling and reading expanding its viewing beyond national territories Relying on primary sources such as advertisements censorship reviews publisher and bookstore catalogues the book examines the paths taken by novels in their shifts between Europe and Brazil investigates the flow of translations in both directions pays attention to the successful novels of the time and analyses the critical response to fiction in both sides of the Atlantic It reveals that neither nineteenth century culture can be properly understood by focusing on a single territory nor literature can be fully perceived by looking only to the texts ignoring their material existence and their place in social and economical practices *"The"*
