Chasing Failure Ryan Leak:

Chasing Failure Ryan Leak, 2021-06-22 A USA TODAY Bestseller *Chasing Failure* will help you remove every excuse for not pursuing the life you want to live and that failure may just be the quickest way to success. We all have something we'd love to do but often our fear of failure outweighs the potential of our destiny. But what if we found out that failure could actually help us succeed? In *Chasing Failure* Ryan Leak shares the science behind why people are afraid to fail, mixing in real life stories and adding practical steps to help us intentionally chase failure in order to embrace the opportunities that come with it. Everyone fails in life but if you're willing to learn, improve, and grow because of your failures, you are already on the road to success. As a motivational speaker, whether addressing people in corporations, churches, or youth events, Ryan has a message of hope: failure is right around the corner, so be brave enough to chase it. The good life is on the other side, and as he says, God promises to be with you always, even through the failure. Packed with wisdom, specific strategies, and a key takeaway included at the end of each chapter, *Chasing Failure* will help you explore whether your dream idea is worth pursuing, count the cost, and create an action plan for your idea. Learn how to effectively deal with criticism, understand how to embrace failure, and learn how it can propel you. By blending personal stories, get up and go encouragement, and practical step-by-step advice, Ryan Leak will show you how chasing failure could be the quickest way to success. **Chasing Failure** Ryan Leak, 2018-04-15

Chasing Failure Ryan Leak, 2015-12-15 Answer this question: What would you do if you knew you could not fail? Would you write a book? Would you produce music? Would you start your own business? Would you go back to school? Would you get married? Would you lose weight? We all have something we'd love to do but often our fear of failure outweighs the potential of our destiny. But what if you found out that failure could actually help you succeed? Through Ryan Leak's journey to chasing his NBA dream and his encounter with 5-time NBA champion Kobe Bryant, *Chasing Failure* will help you remove every excuse you've ever had for not pursuing the life you want to live. *Leveling Up* Ryan Leak, 2022-12-06 A Wall Street Journal Bestseller, *Experience* explosive growth and success in your career and personal life by taking ownership of your personal development and understanding you don't need to know all the answers but you do need to ask the right questions. Whether you're a leader of ten, a hundred, or many more, there's no one more important to lead than yourself. If you're not leading yourself, why would anyone else want to follow you? Ryan Leak speaks to thousands of leaders every year, and he has learned that the most successful people have taken ownership of their own development and, in order to realize your potential, you need to fully understand yourself. Being a great leader is not about having all the answers but asking the right questions, and that starts with careful introspection and inviting others to tell you what they see in you. *Leveling Up* helps you focus on the person you're becoming and think about the goals you want to accomplish. Some of the twelve strategic questions in this book include: What is it like to be around me? The Self-Awareness Question: What credit can I give away? The Team Player Question: Who knows who I really am? The Transparency Question: What's my definition of success? The Vision

Question Do I have to do it all The Rest Question Am I enjoying it The Fun Question Leadership theory and business practices are important to study but nothing is better than discovering the answers that will reveal who you are at your core where you want to go in your career and life in general and how you can influence and impact those around you
