He explores the lesser known sites and attractions including details of places not covered anywhere else. The guide is packed with information on agritourism, spots, eco-conscious boutique hotels, camping under the stars, rustic tavernas and locally grown produce. Traditionally the tourist season in Greece is the summer but this is fast changing with savvy travelers discovering the wild flowers of spring, the joys of the olive harvest in late autumn and skiing opportunities during the winter. Bird life and marine life are also a huge attraction for visitors to the Peloponnese. The guide also focuses on the colourful life of the traditional paneyiri and those who still embrace the Greek spirit of philoxenia.
