INTRODUCTORY NOTES

- The manual is divided into sections identified by two-figure numbers and each section has independent page numbering.
- The efficient sections can easily be found by consulting the table of contents on the following pages.
- The document number of the manual and the edition/update dates are given at the bottom of each page.
- Pages updated in the future will be identified by the same document number followed by an additional digit (first edition: standard manual 876796064 - 1st update 8767960641 - 2nd update 8767960642 - etc). The update pages can replace or supplement the pages of the standard manual; the information necessary for the procedure for adding or replacing pages is given on the 10th page of the update. The publication will be completed with an appropriate note.
If it is necessary to issue a new updated manual (2nd edition) it will have document number 876796065, this indicates that the manual is composed of the standard version 876796064 completed with all the updates (1st update 8767960641 - 2nd update 8767960642 - etc).
- The information contained in this manual was current on the date printed on each section. As CASE IH constantly improves its product range, some information may be out of date subsequent to modifications implemented for technical or commercial reasons or to meet legal requirements in different countries. In the event of conflicting information, consult the CASE IH Sales and Service Departments.

IMPORTANT WARNINGS

- All maintenance and repair work described in this manual must be performed exclusively by CASE IH service technicians in strict accordance with the instructions given and using any specific tools necessary.
- Anyone performing the operations described herein without strictly following the instructions is personally responsible for any eventual injury or damage to property.
- The Manufacturer and all organisations belonging to the Manufacturer's distribution network, including but not restricted to national, regional or local distributors, will accept no responsibility for personal injury or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer, including those used for maintenance and/or repair of the product manufactured or marketed by the Manufacturer.
In any case, the product manufactured or marketed by the Manufacturer is covered by no guarantee of any kind against personal injury or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer.
