Case Studies In Hypocrisy U S Human Rights Policy

James T. Lawrence

Case Studies In Hypocrisy U S Human Rights Policy:

Human Rights in the Near East and North Africa James T. Lawrence, 2004 The existence of human rights helps secure the peace deter aggression promote the rule of law combat crime and corruption and prevent humanitarian crises These human rights include freedom from torture freedom of expression press freedom women s rights children s rights and the protection of minorities This book surveys the countries of the Near East and North Africa and is augmented by a current bibliography and useful indexes by subject title and author

Chomsky on Anarchism Noam Chomsky, Barry Pateman, 2010-09-08 We all know what Noam Chomsky is against His scathing analysis of everything that s wrong with our society reaches more and more people every day His brilliant critiques of among other things capitalism imperialism domestic repression and government propaganda have become mini publishing industries unto themselves But in this flood of publishing and republishing very little ever gets said about what exactly Chomsky stands for his own personal politics his vision of the future Not that is until *Chomsky on Anarchism* a groundbreaking new book that shows a different side of this best selling author the anarchist principles that have guided him since he was a teenager This collection of Chomsky s essays and interviews includes numerous pieces that have never been published before as well as rare material that first saw the light of day in hard to find pamphlets and anarchist periodicals Taken together they paint a fresh picture of Chomsky showing his life long involvement with the anarchist community his constant commitment to nonhierarchical models of political organization and his hopes for a future world without rulers For anyone who s been touched by Chomsky s trenchant analysis of our current situation as well as anyone looking for an intelligent and coherent discussion of anarchism itself *Chomsky on Anarchism* will be one of this season s most exciting and surprising reads

Critical Thinking 101 Luis Bernardo Mercado, 2012-04-17 *Critical Thinking 101* is meant to assist the American Voter in selecting candidates based on important key information In the United States of America we have the opportunity to select people to represent us in local state and national government The privilege of voting must be taken seriously since our choices impact nearly every aspect of our life Therefore we should to the best of our ability become informed citizens so that we may vote in our best interest to the fullest extent possible This book explores numerous topics which will enhance the readers awareness of the issues and provides a concise range of ideas that will stimulate critical thinking Also included are several chapters which will present useful information of specific health and daily management issues

Christotainment Shirley R. Steinberg, 2010-10-08 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God s armies *Christotainment* examines how Christian fundamentalism has

realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure *Antidote to Trumpism* Luis Bernardo Mercado,2019-12-09 *Antidote to Trumpism* is a wide ranging collection of essays meant to help Americans embrace intellectual honesty improve their critical thinking skills and avoid being deceived by propaganda The most important chapters explore how to improve our understanding of the way our government functions how the Trump administration has attacked the rule of law and our Constitution the importance of protecting our democracy and our environment and interesting political religious and scientific concepts Other essays discuss how to deal with anxiety disorders food allergies and rosacea Most of the chapters end with a list of recommended texts that will help those interested in learning more about the subjects discussed **Case Studies in Hypocrisy** Noam Chomsky,2001-07 This new double CD primarily focuses on a lecture by Chomsky that covers the motives and consequences of US Iraq policy **Ask Yourself** Luis Bernardo Mercado,2008-09 *Metamorphosis* Luis Bernardo Mercado,2010-01 *Metamorphosis* combines compelling content unique insights logical arguments and easy to understand writing to help refine or define your opinions on some of the most critical issues of today *Metamorphosis* features background information on the history of politics as well as terms and summaries of ideologies as it discusses topics ranging from abortion religion the Iraq war science education crime and law family values immigration and welfare Mercado uses a multi faceted approach to recount information that he has absorbed from hundreds of books articles documentaries and varying opinions from his friends and family Covering the gamut of contemporary and traditional issues that have shaped the American political mind set Mercado distills a wealth of information in order to empower readers with an understanding of these issues For further exploration by the reader *Metamorphosis* includes lists of important books documentaries and films relevant to the topics discussed in this book Mercado also provides workbook style forms to assist readers with effective internal argument and to help capture ideas and goals on paper for taking real action CMJ New Music Monthly ,2000-04 *CMJ New Music Monthly* the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15 24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc *Human Rights as Political Imaginary* José Julián López,2018-04-13 In this book López proposes the political imaginary model as a tool to better understand what human rights are in practice and what they might or might not be able to achieve Human rights are conceptualised as assemblages of relatively stable but not unchanging historically situated and socially embedded practices Drawing on an emerging iconoclastic historiography of human rights the author provides a sympathetic yet critical overview of the field of the

sociology of human rights The book addresses debates regarding sociology's relationships to human rights the strengths and limits of the notion of practice human rights affinity to postnational citizenship and cosmopolitanism and human rights curious yet fateful entanglement with the law Human Rights as Political Imaginary will be of interest to students and scholars across a range of disciplines including sociology politics international relations and criminology
