Charleys First Night:

Charley's First Night Amy Hest, 2012-12-18 Two of our most beloved picture book creators team up to tell a classic story of a child his new puppy and a first night home Features an audio read along On Charley s first night Henry carries his new puppy in his old baby blanket all the way to his house He shows Charley every room saying This is home Charley He says that a lot so that Charley will know that he is home Henry s parents are very clear about who will be walking and feeding Charley Henry will and he can t wait They are also very clear about where Charley will be sleeping Charley will be sleeping in the kitchen But when the crying starts in the middle of the night Henry knows right away that it s Charley And it looks like his parents idea about where Charley is going to sleep may have to change With warmth humor and endearing simplicity Amy Hest tells a tale familiar to everyone who has loved a puppy while Helen Oxenbury renders each tender gesture and charming detail in a beauty of a book that children will be eager to take home *Come-on Charley* Thomas Addison, 1915

Man Hunt David Gross, 2012-06-01 Tom Tobin an illiterate hunter trader rancher Indian fighter and sometimes U S Army guide led a small detach ment of soldiers to hunt the Espinosas He tracked them down used his Hawken 54 caliber rifle to kill them at long range then cut off their heads He returned to Fort Garland with the grisly trophies but refused the huge reward for killing them The era of the Mountain Man the San Luis Valley and events leading to and following the Mexican American War provide the backdrop for this story of revenge redemption repentance and brutality After the war Americans took huge tracts of community property lands from the New Mexicans Was this why Gringos were the targets of the Espinosas **The London Charleys of the 18th Century; Or Half-past Twelve O'clock** John Pearson (pseud?), 1827

Untold Until Now Karen Brantley, 1999 A generation of men who fought for our freedom looks back at their lives some with melancholy some with unforgotten energy and other with reluctance World War II means something different to each man who served yet a common and tightly woven thread binds their attitudes and senses of patriotism This moving book captures the long lost era when men were men when going to war meant actually engaging the enemy rather than raining bombs on them from above and never actually seeing them Those stories have something to tell us about lives the lives of the men interviewed our own lives and the lives of the millions of people who did not live through another of mankind s follies

Innocence and Villainy J. J. O'Kelly, 2012-03-13 School board defendants are poisoned during a courtroom farce and Jim O Kelly is a suspect Jim s youth and education are garnished by mostly innocent older girls He and Pat Wakely honeymoon and join the mile high club Jim supports racial integration and is fired from his position as school principal in Cobacco County Virginia Educators flee from Cobacco County s villainous Ku Klux Klan Jim and black ex educator Howard Hammond sue the Cobacco School Board for employment discrimination Police investigate others suspected of the courtroom murders The guilty party confesses on a death bed Cobacco public schools integrate The Rosy-Fingered Dawn Appeared W. Devereux Jones, 2006-06 The story begins in the emergency room in Corinth Hospital in 1967 where a slightly wounded professor is brought in by a friend The local reporter tries to flesh out the story but his editor kills it and all that is clear is that there was some sort of duel It introduces the three main mail characters John Dobrov Turner Ashby DeLay and Charley Steinke Then there is a flashback to 1952 and the novel follows the stories of the three who are brought together on the Georgia campus in 1961 The second chapter is set on the campus of Golden State University in California where the main character in the story Evangeline Higginson has founded the Rosy Fingered Dawn Club a small group of Coeds who anticipate an enlargement of the career opportunities for women Hig is a beautiful woman but unlike most female leads she has a flinty character and her superior intelligence carefully analyzes all the situations she encounters She is also an electra and thus does not view the male sex with hostility She rescues and completely remakes a crippled football player as a kind of hobby to alleviate her boredom This leads to an unexpected marriage and she has to put her own career on hold until her husband is settled in his profession How does a liberated woman maintain her identity in wedlock This is a continuing question during the 1960 s Her massive intelligence also grapples with an age old question what is this thing called love She believes that men marry for sex women for companionship and wonders if love is a myth devised by women to gild economic motives Not until the final chapter does she find answers to these two questions that satisfy her The football player she rescues remakes and marries is John Dobrov a man s man of Czech background from Youngstown Ohio He regards his wife with awe and is utterly dominated by her in all areas until he meets a colleague Turner Ashby DeLay who is equal to his wife in intelligence but has an entirely different reaction to contemporary developments the integration crises the women s movement and the Vietnam War Dobrov is a man with all the attitudes programmed into the male sex and his marriage becomes a crescendo of clashes with his wife A basic problem between them is one that is always overlooked in both novels and real life
