Contemporary British Politics W. N. Coxall, Lynton J.

Robins,1994 Providing an introduction to British politics and government this book has been revised to include John Major s Prime Ministership Six new chapters have been added the historical social and economic context the European Union the policy process Northern Ireland and law and order Contemporary Europe Richard Sakwa,Anne Stevens,2012-03-28 This fully revised third edition provides a wide ranging introduction to political economic and social life across the whole continent Ideal for students new to the subject this popular text stimulates fresh thinking on issues and debates

Exploring British Politics Mark Garnett,Peter Dorey,2016-04-14 Exploring British Politics is a concise comprehensive and accessible guide to the subject Fully updated and revised the new edition covers the 2015 general election and recent developments in the role of political parties changes in party ideology the UK s relationship with the European Union and the future of the UK itself Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance The special features of the new edition include Comprehensive analysis of the 2015 general election and the 2014 referendum on Scottish independence A focus on topical controversies such as the relationship between politicians and the media and the arguments for and against Human Rights legislation Explanation of the ways in which British governments have responded to dramatic social change and to serious economic challenges in an era of globalisation Extensive guides to further reading at the end of each chapter Whilst it provides the essential historical background for a full understanding of British politics contemporary issues are to the fore throughout and readers are encouraged to scrutinise what is often taken for granted and to develop their own thoughts and ideas Whether studying the subject for the first time or revisiting it Exploring British Politics is the ideal undergraduate text **Euroscepticism in Contemporary British Politics** Anthony

Forster,2003-09-02 Anthony Forster argues that euroscepticism in addition to being a political stance displays the seeds of becoming a new faith Through a detailed analysis of British post war politics he shows the development of a core set of beliefs a history of persecution displays of moral rectitude in opposing Europe and the power of scepticism to change existing beliefs This challenging new history of euroscepticism will be a valuable resource for undergraduate students of politics and European studies Longman Handbook to Modern British History 1714 - 2001 Chris Cook,John Stevenson,2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British

history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume **Principles and Politics in Contemporary Britain** Mark Garnett,2013-10-28 This book shows the importance of political ideas in policy

making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated
