Cains Redemption A Story Of Hope And Transformation In Americas Bloodiest Prison:

Cain's Redemption Dennis Shere, 2005-08-01 Formerly known as America's bloodiest prison the 18 000 acres that comprise Louisiana's Angola State Penitentiary are now home to 5 000 inmates a full range of seasonal crops a 9 hole golf course yearly rodeos a Bible seminary a museum and much more All of this came into being at the behest of Warden Burl Cain who is now the longest standing warden in the history of Angola prison Under his leadership the inmate population of 5 000 has gone from regular knife fights to Bible studies Cain is a strong believer in the ability of the gospel to turn the most incorrigible of sinners into productive moral citizens Because eight out of ten prisoners are serving life sentences without parole at Angola Cain has taken upon himself the task of making the lives of these prisoners productive and educational Through a partnership with New Orleans Baptist Seminary prisoners have the opportunity to get a bible degree and even be transferred to other prisons as a missionary The Angola phenomenon has been covered by such media outlets as Time Magazine Christianity Today and in the award winning film documentary *The Farm Angola USA* Author Dennis Shere combines his background in journalism and law to bring readers this account of redemption and life change in the most unlikely of places a maximum security prison

God's Law and Order Aaron Griffith, 2020-11-10 Winner of a Christianity Today Book Award An incisive look at how evangelical Christians shaped and were shaped by the American criminal justice system America incarcerates on a massive scale Despite recent reforms the United States locks up large numbers of people disproportionately poor and nonwhite for long periods and offers little opportunity for restoration Aaron Griffith reveals a key component in the origins of American mass incarceration evangelical Christianity Evangelicals in the postwar era made crime concern a major religious issue and found new platforms for shaping public life through punitive politics Religious leaders like Billy Graham and David Wilkerson mobilized fears of lawbreaking and concern for offenders to sharpen appeals for Christian conversion setting the stage for evangelicals who began advocating tough on crime politics in the 1960s Building on religious campaigns for public safety earlier in the twentieth century some preachers and politicians pushed for law and order urging support for harsh sentences and expanded policing Other evangelicals saw crime as a missionary opportunity launching innovative ministries that reshaped the practice of religion in prisons From the 1980s on evangelicals were instrumental in popularizing criminal justice reform making it a central cause in the compassionate conservative movement At every stage in their work evangelicals framed their efforts as colorblind which only masked racial inequality in incarceration and delayed real change Today evangelicals play an ambiguous role in reform pressing for reduced imprisonment while backing law and order politicians *God's Law and Order* shows that we cannot understand the criminal justice system without accounting for evangelicalism's impact on its historical development

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 *When Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that

defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
