It begins with a practicalities section and extends into the walks themselves. From six or so base towns, the authors offer routes of one or two hours, half day, and one, three, and five days. There are also some extraordinary walks worth going out of the way for. There are recommendations for restaurants, trattorias, and pizzerias, as well as markets and other take-away options. Additionally, the book includes suggestions for lodging, transportation, flora, and many other points of interest.
