

Only one day of studying is NOT recommended, but read this:

“I passed my PPO test less than five hours after first finding out about your PPO study help!”

- “1. At 3pm I found you were nearby and I called you.
2. Starting at 4pm I learned from your material for two hours, then I went to the test location.
3. At 630pm I began taking my PPO test.
4. *Before 730pm I had a PASS results paper!*

I am so so so glad that I contacted you.
I NEVER would have passed without you.
You were dead-on about what I needed to know.
There was nothing on my test I couldn't answer.”
