

THE WORLD'S FINEST Champion® 2000+ Juicer

Congratulations!

In choosing the Champion 2000+ Juicer, you've taken an important step towards a healthy lifestyle. Countless studies show that a high intake of fruits and vegetables can lower the incidence of heart problems, cancer and the degenerative diseases of aging. The evidence is so convincing, in fact, that the US Recommended Daily Intake of fruits and vegetables has increased.

The Champion 2000+ Juicer includes a number of features that bring the power and durability of commercial juicers directly to your kitchen countertop. Fresh, wholesome fruit and vegetable juices of the highest quality have never been easier to prepare. It's a quality you can see in the color of the juice itself: darker, richer colors contain more of the pigments - and nutrients - you desire, while the extracted pulp is pale in color.

Rest assured, it's a quality you can taste. Champion juices will likely be richer, sweeter and more full bodied than any juice you've tasted before. For nearly a half century, we've continually refined our Champion juicers and enhanced their capabilities to extract every ounce of nutrition and flavor from the fruits, vegetables and grains you enjoy the most.

It's a quality you can see; it's a quality you can taste.
