Kiplinger's Personal Finance, 2007-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics *Franchise Era* Fleury James Fleury, 2019-04-01 As Hollywood shifts towards the digital era the role of the media franchise has become more prominent This edited collection from a range of international scholars argues that the franchise is now an integral element of American media culture As such the collection explores the production distribution and marketing of franchises as a historical form of media making analysing the complex industrial practice of managing franchises across interconnected online platforms Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector such as Facebook Apple Amazon Netflix and Google the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape Getting Price Right Gerald Smith, 2021-10-12 Winner 2022 Leonard L Berry Marketing Book Award American Marketing Association How do leaders managers and proprietors go about the essential task of setting prices What biases enter into this process and why How can a business debias its price setting to become more productive strategic and profitable Combining perceptive insights from behavioral economics with leading edge ideas on price management this book offers a new approach to pricing Gerald Smith demonstrates why understanding reframing and refining everyday pricing processes a firm's or manager's pricing orientation results in a better long term pricing strategy He explores how pricing actually happens in practice and shows how to identify and remove the psychological blinders that cause suboptimal decisions and policies Smith details how to improve pricing orientation by combining the soft behavioral skills that intuitively shape and refine pricing practice with the hard analytic skills that guide and structure pricing strategy The result is more rational and more profitable pricing with respect to not only revenue and profitability but also employee productivity and customer satisfaction Offering an accessible and actionable model Getting Price Right is the first book to apply behavioral economics to managerial price setting It is a must read for corporate business leaders thought leaders and professionals interested in advances in pricing and for managers entrepreneurs proprietors and small and midsize business owners whose everyday work involves pricing **FCC Record** United States. Federal Communications Commission, 2017 **Microeconomics** David Besanko, Ronald Braeutigam, 2010-10-25 Business professionals that struggle to understand key concepts in economics and how they are applied in the field rely on Microeconomics The fourth edition makes the material accessible while helping them build their problem solving skills It includes numerous new practice problems and exercises that arm them with a deeper understanding Learning by Doing exercises explore the theories while boosting overall math skills Graphs are included throughout the mathematical discussions to reinforce the material In addition the balanced approach of rigorous economics gives business professionals a more practical resource **Pricing Of Products & Services** Tridib Mazumbar, 2020-12-15 The price of a

product or a service is a critical element of the marketing mix Price influences product demand and the firm's revenue and profits Prices also signal product quality and value customer self image and the seller's pricing practices With appropriate balance of theory applications and analytics this book provides business students and practitioners the tools to make profitable pricing decisions under a variety of real life contexts current and emerging Theoretical foundations for pricing decisions come from microeconomics psychology and behavioral decision theories Well established economic principles with available data and analytics help firms customize prices based on customers willingness to pay quantity purchased timing and urgency of purchase and by bundling their products and services Pricing and promotional strategies of firms are further informed by the consideration of consumer psychology as well as the decision rules that consumers employ in framing of and responding to prices As a practical step by step guide for firms the book presents a comprehensive framework for pricing decisions The framework illustrates how firms pricing decisions are shaped by customer valuation of the product or service firm cost and competition within the category Additional considerations include channel arrangements legal and regulatory limits public sentiments and the overriding strategy for the firm Short cases and numerical examples help illustrate how these factors can be incorporated in firm making decisions In addition to offering the theoretical foundation and practical guidelines for pricing there are several distinctive features of the book Pedagogically the book takes a quantitative approach to pricing decisions and places a special emphasis on the utilization of data and analytics Nevertheless sound intuition and judgments remain a prerequisite

Full Committee Hearing on Small Business and Broadband United States. Congress. House. Committee on Small Business,2010 Captive Audience Susan Crawford,2013-01-08 Ten years ago the United States stood at the forefront of the Internet revolution With some of the fastest speeds and lowest prices in the world for high speed Internet access the nation was poised to be the global leader in the new knowledge based economy Today that global competitive advantage has all but vanished because of a series of government decisions and resulting monopolies that have allowed dozens of countries including Japan and South Korea to pass us in both speed and price of broadband This steady slide backward not only deprives consumers of vital services needed in a competitive employment and business market it also threatens the economic future of the nation This important book by leading telecommunications policy expert Susan Crawford explores why Americans are now paying much more but getting much less when it comes to high speed Internet access Using the 2011 merger between Comcast and NBC Universal as a lens Crawford examines how we have created the biggest monopoly since the breakup of Standard Oil a century ago In the clearest terms this book explores how telecommunications monopolies have affected the daily lives of consumers and America's global economic standing *Net Neutrality and the Battle for the Open Internet* Danny Kimball,2022-08-24 Net neutrality a dry but crucial standard of openness in network access began as a technical principle informing obscure policy debates but became the flashpoint for an all out political battle for the future of communications and culture Net Neutrality and the Battle for the Open Internet is a

critical cultural history of net neutrality that reveals how this intentionally boring world of internet infrastructure and regulation hides a fascinating and pivotal sphere of power with lessons for communication and media scholars activists and anyone interested in technology and politics While previous studies and academic discussions of net neutrality have been dominated by legal economic and technical perspectives Net Neutrality and the Battle for the Open Internet offers a humanities based critical theoretical approach telling the story of how activists and millions of everyday people online and in the streets were able to challenge the power of the phone and cable corporations that historically dominated communications policy making to advance equality and justice in media and technology **Kiplinger's Personal Finance** ,2008

Discover tales of courage and bravery in Crafted by is empowering ebook, **Comcast Bundle Deals** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
