Confessions Of A Bishop A Guide To Augustines Confessions:

Confessions of a Bishop Kevin Dodge, 2014-09-23 Kevin Dodge's illuminating *Confessions of a Bishop* revisits a literary classic one that can ultimately help readers deepen their own relationship with God through contemplation and understanding. While Saint Augustine's *Confessions* is perhaps one of the best known Christian masterpieces of all time, some are reluctant to approach it because of its complex themes and dense subject matter. But Dodge aims to change all of that with his enlightening companion guide that spells out clearly and concisely exactly what Saint Augustine was speaking about all those centuries ago. Using thorough plot summaries and questions meant to elicit thoughtful contemplation or discussion, Dodge traces the life of Saint Augustine from his abandonment of the Christian faith to his eventual return to the Church. This colorful life and the lessons he learned because of it ultimately led to Saint Augustine's position as one of the most influential figures in history of Christianity and western thought. What can I do to become truly happy and How can I find rest for my soul are just a few of the deep questions that readers will have the opportunity to reflect upon after working through Dodge's thoughtful guide.

Reading Augustine Jason Byassee, 2006-10-01 *The Confessions of St Augustine* is one of the few Christian classics that is still widely read in the secular academy. Yet oddly enough it is not often read in the manner Augustine appears to have intended and in which the church read it for centuries as a model of conversion, devotion, friendship, and the love of God. This book is a companion for any reader of the *Confessions* whether in an academic, ecclesial, or devotional context, informed by the latest scholarship yet always directed toward pushing the reader with Augustine toward God.

The Confessions of St. Augustine by Bishop of Hippo Saint Augustine St Augustine, 2020-08-13 *Augustine's Confessions* is a work to relish the first time through and then profoundly enjoy over a lifetime of revisiting. God is our home, but many of us have strayed from our native land. The venerable authors of these Spiritual Classics are expert guides; may we follow their directions home. Archbishop Desmond Tutu: A masterful new translation of a perennial classic now available in pocket size. *The Confessions of Saint Augustine* is considered the all-time number one Christian classic. Augustine undertook his greatest piece of writing with the conviction that God wanted him to make this confession. The *Confessions* are in fact an extended poetic, passionate, intimate prayer. Augustine's experience of God speaks to us across time with little need of transpositions. This new translation by Maria Boulding masterfully captures his experience.

The Confessions Augustine of Hippo, 2010-12-30 Boulding's fresh new translation of this classic captures the essence of Augustine's struggle to integrate faith and understanding as his heart seeks to rest in God. Augustine's *Confessions* has been much translated, but it is no exaggeration to say that Sister Maria Boulding's version is of a different level of excellence from practically anything else on the market.

Reason, Authority, and the Healing of Desire in the Writings of Augustine Mark J. Boone, 2020-01-14 In *Reason, Authority, and the Healing of Desire in the Writings of Augustine*, Mark Boone explains Augustine's theology of desire in a cross-section of his writings. He shows that Augustine's writings consistently teach a Platonically informed yet

distinctively Christian theology of desire **The Confessions of Saint Augustine** St. Augustine, 2000-11-01 The reader who has never met Augustine before ought to go first of all to the Confessions reflected the Trappist monk and scholar Thomas Merton Augustine lived the theology that he wrote He experienced the reality of Christ living in his own soul Saint Augustine the celebrated theologian who served as Bishop of Hippo from A D 396 until his death in A D 430 is widely regarded as one of the most influential thinkers in the Western world Written in the form of a long prayer addressed directly to God Augustine's Confessions the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time Augustine possessed a strong capacious argumentative mind wrote Edward Gibbon He boldly sounded the dark abyss of grace predestination free will and original sin And the eminent historian Jaroslav Pelikan remarked There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual spiritual and cultural force Fire on the Altar: Setting Our Souls Ablaze through St. Augustine's Confessions C. C. Pecknold, 2025-09-10 In Fire on the Altar renowned Augustinian theologian C C Pecknold provides readers with a genuinely Catholic understanding of Augustine's Confessions Setting out to free readers from liberal and individualistic distortions of Augustine's anthropology Pecknold argues that a religious and liturgical understanding of Augustine's famous work unlocks a more Catholic approach Strikingly Fire on the Altar demonstrates that Augustine's anthropology is essentially built around the concept of an altar at the center of the soul and culminates in the Eucharist setting fire to our hearts and minds Examining Augustine's orientation to the altar Pecknold explores Our duty to worship God The religious nature of our sins What we offer to God through our hearts The kind of worship that the mind can make The vicarious sacrifices that we can make for the love of neighbor The intercession of saints The importance of friends and a social understanding of the person The place of bishops The sacraments The Blessed Virgin Mary The nature of conversion And the mission of the Catholic Church Dr Pecknold's unique companion to a classic of western civilization shows that the entire Confessions coheres around the Sacrifice of the Mass revealing that it is only by union with the fire of divine charity on the Church's high altar that we can make a sacrifice acceptable to God **The Confessions of St. Augustine** Saint Augustine, Bishop of Hippo, E. B. Pusey, Edward Bouverie, 2014-08-23 The Confessions of Saint Augustine By Saint Augustine Bishop of Hippo Translated by E B Pusey Edward Bouverie Confessions Latin Confessiones is the name of an autobiographical work consisting of 13 books by St Augustine of Hippo written in Latin between AD 397 and AD 398 Modern English translations of it are sometimes published under the title The Confessions of St Augustine in order to distinguish the book from other books with similar titles Its original title was Confessions in Thirteen Books and it was composed to be read out loud with each book being a complete unit The work outlines Augustine's sinful youth and his conversion to Christianity It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1 000 years of the Middle Ages It is not a complete autobiography as it was written in his early 40s and he lived

long afterwards producing another important work *City of God*. It does nonetheless provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work featuring spiritual meditations and insights. In the work St Augustine writes about how much he regrets having led a sinful and immoral life. He discusses his regrets for following the Manichaean religion and believing in astrology. He writes about Nebridius's role in helping to persuade him that astrology was not only incorrect but evil and St Ambrose's role in his conversion to Christianity. The first nine books are autobiographical and the last four are commentary. He shows intense sorrow for his sexual sins and writes on the importance of sexual morality. The books were written as prayers to God, thus the title based on the Psalms of David and it begins with 'For Thou hast made us for Thyself and our hearts are restless till they rest in Thee'. The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief.

T&T Clark Handbook of Political Theology Rubén Rosario Rodríguez, 2019-10-03. The T and the contributors then build on previously discussed historical resources and methods to engage with contemporary issues and challenges, emphasizing interreligious dialogue even while addressing concerns of relevance to a particular faith tradition. The volume concludes with three essays that look at the future of political theology from the perspective of each Abrahamic religion. Complete with select bibliographies for each topic, this companion features the most current overview of political theology that will reach a broader global audience of students and scholars.
