Conflict Connection The Jewish Christian Israel Triangle:

Conflict & Connection Moshe Aumann, 2003 Discusses a number of Church documents issued by both the Catholic and Protestant Churches concluding that there has been a real repentance based post Holocaust revision of Christian theology which now rejects anti Judaism Stresses that in order for these changes to reach the rank and file further educational efforts are needed also notes the need for Jewish partners in dialogue to wipe out vestiges of Christian antisemitism Aumann from 1987 90 a minister counselor for relations with Christian churches at the Israeli Embassy in Washington notes the gradual recognition by Churches of the Jewish state but expresses disappointment that some institutions like the World Council of Churches sympathize with the Palestinians this is interpreted as anti Zionist support for terror Some of the documents appear in the appendixes pp 189 274

Evangelicals and Israel Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

Israel and the United States Robert Freedman, 2018-04-19 This unique volume intensively studies the nature and extent of US Israeli relations from 1948 through the Bush and Obama administrations Leading experts in the field including Israeli and North American scholars from a variety of political perspectives contribute original essays on the principal political religious ethnic military economic and juridical connections between the United States and Israel Specific topics covered in this new book include the pro Israel lobby in the United States the US Jewish community and its relations to Israel evangelical Christians and Israel military and

economic ties between the United States and Israel the threat of a nuclear Iran for both countries and the impact of American jurisprudence on Israel Section introductions from the editor effectively contextualize the issues and provide students with an in depth understanding of the past present and future of the US Israel relationship Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel s replacement the early Church s promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ s reign in the Church was viewed as provisional to his historical reign on earth Israel s role in salvation history was and is not yet complete Aguzzi s research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel s acceptance be but life from the dead Romans 11 15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God s future and the coming Parousia of Christ *Threads in the Tapestry* Cherub Angela Nicholls, 2014-01-28 *Threads in the Tapestry Conflict and Resolution in the Middle East* by Cherub Nicholls *Threads In The Tapestry Conflict Resolution in the Middle East* can be simply explained in a love story God the Great King chooses for Himself a wife Her name is Israel This Great King loves His wife very much and would do anything to shower her with His affection Like other husbands in a marital relationship He provides for His wife a home This Great King utilizes the skills and expertise of foreign labour to build His wife her home After the labourers complete their tasks they were the Kenites the Kenezites and the Kadmonites the Hittites the Perizzites and the Rephaim the Amorites the Canaanites the Girgashites and the Jebusites He removes them from the country so that His wife alone may enjoy the splendour of His possession Twice because of His wife s unfaithfulness to Him He sends her away from His house Nevertheless He remains committed to His lover and decides that He will be faithful and seek no sweetheart while healing takes place in His broken heart After a long time God the Great King and husband of Israel decided that He has punished His wife long enough and He brings her back home to Himself His house and city Her total adoration is all He yearns for Though there are many other women in the street trying to win His affection He reserves His love for His wife alone Leave Israel alone Her King with great power will rescue her from the world This is a must read About the Author Cherub Angela Nicholls served as a career diplomat for Guyana at the United Nations and also as an intern at the United Nations Her diplomatic career helped open her eyes to the Arab Israeli conflict No longer in her country s service she has since become an advocate

for Israel in which she is dedicated to providing insights to the conflict from the standpoint of the God of Israel

The Pentecostal Mission in Palestine Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

Cross on the Star of David Uri Bialer, 2005-10-26 The official establishment of the State of Israel in May 1948 constituted the realization of the Zionist vision but military victory left in its wake internal and external survival issues that would threaten this historic achievement for decades to come The refusal of the international community to recognize the political geographic and demographic results of the War of Independence presented Israel with a permanent regional security threat while isolating and alienating it in the international arena One of the most formidable problems Israeli foreign policy faced was the stance of the Christian world toward the new state Attitudes ranged from hostility and categorical non recognition by the Catholic Church through Protestant ambivalence to Evangelical support Cross on the Star of David presents the first scholarly analysis based on newly declassified documents of Israeli policymaking on this issue Uri Bialer focuses on the impact that modes of thinking rooted in the historical tradition of Jewish Christian interactions had on Israeli policymakers and concludes that they were not innocent of the perceptions and biases that influenced the Christian world s behavior toward Israel The result is a fine grained original interpretation of an important dimension of Israeli foreign policy from the founding of the State to the 1967 War

Learning Messiah Edjan Westerman, 2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the

narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it American Jewry and the Oslo Years N. Rubin,2012-10-15 The Oslo Process of September 1993 to January 2001 ultimately brought about a permanent break in American Judaism s traditional wall to wall support for any Israeli government Drawing on extensive new sources Rubin analyzes what this meant for the American and Israeli Jewish communities critical constituencies in past and future negotiations *Saturday People, Sunday People* Lela Gilbert,2012 Offers a look at Israel its people and its conflicts from the point of view of a Christian woman living in the country
