Cosmic Codes Hidden Messages From The Edge Of Eternity:

Cosmic Codes Chuck Missler,1998-12-01 Scientists continue to scan the heavens in their search for signals from distant galaxies Committed teams of microbiologists and computer specialists continue their efforts to further decipher the genetic codes in our DNA And now we discover that all this time there apparently have been hidden codes in the most widely distributed document on the Planet Earth the Bible **Cosmic Codes** Chuck Missler,2004 **God's Hidden Creation Numbers*** Charles D. Landis,2008-07 *I, Jesus: An Autobiography* Chuck Missler,William Welty,2023-01-20 **Learn the Bible in 24 Hours** Chuck Missler,2011-11-28 For those who have tried and failed to follow through on a plan to study the entire Bible Chuck Missler has the answer Learn the Bible in 24 Hours is an ideal study aid to help you grasp the big picture of Scripture Each chapter is designed for study in an hour or less and breaks the Bible into manageable portions so that you can get a better understanding of both the full story from Genesis to Revelation and the many different genres voices and stories that make up that Story Features include Sound fresh teaching on Scripture Historical and cultural insight into biblical passages Sidebars that highlight the primary concepts of the chapter Easy to follow Bible study layout Learn the Bible in 24 Hours is perfect for individuals and small groups alike We Are Not Alone Karen S. Dolan,2010-03 Have you ever heard a voice telling you something and you know that it did not come from you Some people call it premonition intuition or is it something else Are we surrounded by unseen forces Forces that communicate with us constantly but we are too busy to hear them We Are Not Alone A Journey of Self Discovery are the real life stories of people who have experienced these unseen forces in their lives The story begins with Kaydee a traveler through time who encounters many situations supernaturally prepared for her from outside of the time dimension Other travelers through time and their encounters are woven into the fabric of the artwork that is dynamically being painted by the Creator Himself Scientists are discovering that we live in a multi dimensional world We only perceive 4 dimensions width length depth or height and time Like a straight line trying to understand the dimensionality of a square we can t always understand the dimensions outside of the four we live in or can we Is it possible to perceive what it is like outside of time Could these be the spiritual dimensions that the Bible talks about Could this be what God is talking about when He says Those who have ears will hear and those who have eyes will see Creation Unlimited John Allen-Piper,2023-11-30 The origin and integrity of the Biblical text are described with gematria and equidistant letter spacing requiring Divine inspiration There should therefore be no conflict between the Bible and established Science Key conflicts perceived by the secular world are evaluated in detail The fine tuning of the Earth and Universe enabling humankind to survive and flourish are summarised and the supreme perfections of design in humanity in nature and Universe described General Relativity since the Big Bang is used to resolve a timescale matching the events of the Six Days of Genesis terminating in the recent special creation of humankind The Battle of The Sexes: It's Been Downhill Since The Garden H.R. Boaz,2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old

Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities

relationship with God **The Messiah Question** Will J. Harris, 2016-04-05 For the last two thousand years three unanswerable questions have perplexed Jewish religious scholars When will Messiah appear Jews in general do not believe He has come Why were the Jews dispersed from their nation for two thousand years Israel's statehood was only recently restored in 1948 When in the biblical timeline does Messiah appear Again most Jews are still waiting for Messiah to come the first time The Messiah Question answers each question by exploring the Tanakh Jewish Bible historical rabbinical commentary Latter Scriptures New Testament and Bible prophecies explaining Messiah's appearance in both the Tanakh and rabbinical texts Thus The Messiah Question is a great witnessing tool for Messianic Jews or Gentile believers seeking to reach unbelieving Jews for Yeshua Jesus It will amplify your knowledge of the Old Testament and fortify your faith in God's plan for humanity Eternal Harmony Dr. Ron R. Rickards, 2016-09-07 Has modern physics proven that the universe was created by absolutely nothing Absolutely not Have modern cosmology and Darwinian evolution eliminated the need for God Absolutely not Have the new atheists demonstrated the irrelevance of theology and philosophy in the pursuit of Truth Not even close The first of the four volume Eternal Harmony series The Unity of Truth in God demonstrates decisively the powerful convergence of God made religion and genuine science as well as faith and reason in the unity of truth in the one true triune God of the Holy Bible The Tower of Modern Scientism is concurrently demolished so that not one scientific stone is left standing upon another Can the truths of modern science and God made religion be brought into Eternal Harmony Most definitely Are human life and the cosmos meaningful and purposeful Yes Can you personally inherit eternal life in the new heavens and the new earth and be with God Himself Absolutely Join physicist Dr Ron R Rickards on a sacred journey up the Mountain of Truth which begins on common scientific and religious ground and ends with the most exalted truths of modern science and God made religion coexisting peacefully in Eternal Harmony By incorporating the lyric sheets to a dozen original songs The Unity of Truth in God engages the reader as all human beings truly deserve to be engaged in the fullness of our humanity that is in heart soul and mind The soundtrack is available through Amazon iTunes and other popular outlets
