Celebrating Shakespeare Commemoration And Cultural Memory:

Celebrating Shakespeare Clara Calvo, Coppélia Kahn, 2015-11-19 This book explores how Shakespeare is still alive as a global cultural icon on the 400th anniversary of his death Celebrating Shakespeare Clara Calvo, Coppélia Kahn, 2015 On the 400th anniversary of Shakespeare's death this collection opens up the social practices of commemoration to new research and analysis An international team of leading scholars explores a broad spectrum of celebrations showing how key events such as the Easter Rising in Ireland the Second Vatican Council of 1964 and the Great Exhibition of 1851 drew on Shakespeare to express political agendas In the USA commemoration in 1864 counted on him to symbolise unity transcending the Civil War while the First World War pulled the 1916 anniversary celebration into the war effort enlisting Shakespeare as patriotic poet The essays also consider how the dream of Shakespeare as a rural poet took shape in gardens how cartoons challenged the poet's elite status and how statues of him mutated into advertisements for gin and Disney cartoons Richly varied illustrations supplement these case studies of the diverse complex and contradictory aims of memorialising Shakespeare *Celebrating Shakespeare* Clara Calvo, Coppélia Kahn, 2015 On the 400th anniversary of Shakespeare's death this collection opens up the social practices of commemoration to new research and analysis An international team of leading scholars explores a broad spectrum of celebrations showing how key events such as the Easter Rising in Ireland the Second Vatican Council of 1964 and the Great Exhibition of 1851 drew on Shakespeare to express political agendas In the US the 1864 commemoration counted on him to symbolize unity transcending the Civil War while World War I pulled the 1916 anniversary celebration into the war effort enlisting Shakespeare as patriotic poet The essays also consider how the dream of Shakespeare as a rural poet took shape in gardens how cartoons challenged the poet's elite status and how statues of him mutated into advertisements for gin and Disney cartoons Richly varied illustrations supplement these case studies of the diverse complex and contradictory aims of memorializing Shakespeare Shakespeare and Commemoration Clara Calvo, Ton Hoenselaars, 2019-07-16 Memory and commemoration play a vital role not only in the work of Shakespeare but also in the process that has made him a world author As the contributors of this collection demonstrate the phenomenon of commemoration has no single approach as it occurs on many levels has a long history and is highly unpredictable in its manifestations With an international focus and a comparative scope that explores the afterlives also of other artists this volume shows the diverse modes of commemorative practices involving Shakespeare Delving into these cultures of commemoration it presents keen insights into the dynamics of authorship literary fame and afterlives in its broader socio historical contexts **Shakespeare's Tercentenary** Monika Smialkowska, 2023-12-21 Uncovers how global Shakespeare Tercentenary commemorations addressed crises of imperial and national identities during the First World War *Memorialising Shakespeare* Edmund G. C. King, Monika Smialkowska, 2022-01-01 This book is the first comprehensive account of global Shakespeare commemoration in the period between 1916 and 2016 Combining historical analysis with

insights into current practice *Memorialising Shakespeare* covers Shakespeare commemoration in China Ukraine Egypt and France as well as Great Britain and the United States Chapter authors discuss a broad range of commemorative activities from pageants dance dramatic performances and sculpture to conferences exhibitions and more private acts of engagement such as reading and diary writing Themes covered include Shakespeare's role in the formation of cultural memory and national and global identities as well as Shakespeare's relationship to decolonisation and race A significant feature of the book is the inclusion of chapters from organisers of recent Shakespeare commemoration events reflecting on their own practice Together the chapters in *Memorialising Shakespeare* show what has been at stake when communities identity groups and institutions have come together to commemorate Shakespeare

Shakespearean Biofiction on the Contemporary Stage and Screen Edel Semple, Ronan Hatfull, 2023-11-02 This book is the first edited collection to explore Shakespeare's life as depicted on the modern stage and screen Focusing on the years 1998-2023 it uniquely identifies a 25 year trend for depicting Shakespeare his family and his social circle in theatre film and television Interrogating Shakespeare's afterlife across stage and screen media the volume explores continuities and changes in the form since the release of *Shakespeare in Love* which it positions as the progenitor of recent Shakespearean biofictions in Anglo American culture It traces these developments through the 21st century from pivotal moments such as the Shakespeare 400 celebrations in 2016 up to the quatercentenary of the publication of the First Folio whose portrait helped make the author a globally recognisable icon The collection takes account of recent Anglo American socio political cultural and literary concerns including feminism digital media and the biopic and superhero genres The wide variety of works discussed range from *All is True* and *Hamnet* to *Upstart Crow* *Bill* and even *The Lego Movie* Offering insights from actors dramatists and literary and performance scholars it considers why artists are drawn to Shakespeare as a character and how theatre and screen media mediate his status as literary genius

Eurocentrism in European History and Memory Marjet Brolsma, Robin Bruin, Matthijs Lok, 2025-10-01 Eurocentrism means seeing the world in Europe's terms and through European eyes This may not be unreasonable for Europeans but there are unforeseen consequences Eurocentric history implies that a scientific modernity has diffused out from Europe to benefit the rest of the world through colonies and development aid It involves the imposition of European norms on places and times where they are often quite inappropriate In *Eurocentrism in European History and Memory* well known scholars explore and critically analyse manifestations of Eurocentrism in representations of the European past from different disciplines history literature art memory and cultural policy as well as from different geographical perspectives The book investigates the role imaginings of the European past since the eighteenth century played in the construction of a Europeanist worldview and the ways in which Europe was constructed in literature and art

Shakespeare and the Royal Actor Sally Barnden, 2024-01-23 *Shakespeare and the Royal Actor* argues that members of the royal family have identified with Shakespearean figures at various times in modern history to assert the continuity legitimacy and national identity of the

royal line It provides an account of the relationship between the Shakespearean afterlife and the royal family through the lens of a broadly conceived theatre history suggesting that these two hegemonic institutions had a mutually sustaining relationship from the accession of George III in 1760 to that of Elizabeth II in 1952 Identifications with Shakespearean figures have been deployed to assert the Englishness of a dynasty with strong familial links to Germany and to cultivate a sense of continuity from the more autocratic Plantagenet Tudor and Stuart monarchs informing Shakespeare's drama to the increasingly ceremonial monarchs of the modern period The book is driven by new archival research in the Royal Collection and Royal Archives It reads these archives critically asking how different forms of royal and Shakespearean performance are remembered in the material holdings of royal institutions

Shakespearean Objects in the Royal Collection, 1714-1939
Kirsten Tambling, 2025-09-22 The British royal collection includes nearly 2 000 objects with a connection to Shakespeare What stories do these objects tell of the relationship between the man often described as Britain's national poet and Britain's royal family Royal collecting of Shakespeare did not really begin until 1714 and has therefore broadly tracked the development and entrenchment of the Hanoverian and latterly the Saxe Coburg Gotha royal family Not entirely coincidentally this period also saw a general increase in public interest in objects associated with Shakespeare's life and biography often to the detriment of Shakespeare's works a development partially spearheaded by the Shakespeare Jubilee masterminded by the actor David Garrick at Stratford upon Avon in 1769 The histories of specific works of art in the royal collection from Thomas Gainsborough's painting of Mary Robinson to a collection of relic objects relating to Herne's Oak and Shakespeare's mulberry tree reveal how royal engagement with Shakespearean objects between 1714 and 1939 contributed to the development of a new constitutional settlement between the monarchy and its subjects under George IV Queen Victoria and George V and Queen Mary During this period objects relating to Shakespeare increasingly regarded by the royal family as nostalgic souvenirs from a fantastical national past were useful tools in shoring up these ideas and in yoking the fortunes of the British monarchy to a new vision of shared national history

Recognizing the artifice ways to acquire this book **Celebrating Shakespeare Commemoration And Cultural Memory** is additionally useful. You have remained in right site to begin getting this info. get the Celebrating Shakespeare Commemoration And Cultural Memory belong to that we offer here and check out the link.
