Charles Sorley Poetry Gladness Earths:

Charles Sorley - The Poetry of Charles Sorley Charles Sorley, 2015-12-01 Charles Hamilton Sorley was born in Aberdeen on 19 May 1895 Charles was an exceptional child with an intelligence beyond his years By 1900 the family had moved to Cambridge Charles then continued his education at Marlborough College A debater of some note he won a scholarship to University College Oxford Before taking up his studies Charles decided a year in Germany was to his liking So in 1913 he went first to Mecklenburg and then to the University of Jena However with war declared it was obviously not safe to be British and to be in Germany Charles was interned at Trier but was released after an overnight stay with specific instructions to leave the Country Charles returned to England and immediately sought to sign up He enlisted with the Suffolk Regiment as a second lieutenant When he arrived at the front in France on May 30th 1915 he was a full Lieutenant He served near Plogsteert and was promoted to Captain in August Charles Sorley was killed shot in the head by a sniper at the Battle of Loos on 13 October 1915 His death robbed the world of a talent that would have much to say and of course say it in a way that was quite extraordinary A Treasury of War Poetry George Herbert Clarke, 1917 Excerpt from A Treasury of War Poetry

British and American Poems of the World War 1914 1919 Australia to England Farewell to Anzac Queenslanders The New Zealander Song of the Dardanelles Fighting Hard About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **First World War Poetry** Jon

Silkin, 1997-02-01 A selection of poetry written during World War I In the introduction Jon Silkin traces the changing mood of the poets from patriotism through anger and compassion to an active desire for social change The book includes work by Sassoon Owen Blunden Rosenberg Hardy and Lawrence *A treasury of war poetry, British and American poems of the World war, ed., with intr. and notes, by G.H. Clarke* George Herbert Clarke, 1917 *A Treasury of War Poetry: British and American Poems of the World War 1914-1917* Various, 2019-11-21 A Treasury of War Poetry British and American Poems of the World War 1914 1917 serves as a poignant anthology that encapsulates the profound emotional landscape of the Great War The collection presents a wide array of poetic voices ranging from the deeply personal reflections of soldiers in the trenches to the societal upheavals and transformations experienced on the home front The literary style is notable for its evocative imagery and raw emotion often employing modernist techniques and traditional forms to convey the horrors and heroism inherent in war Positioned within the context of early 20th century literature these poems not only document a historical moment but also engage with the existential questions posed by such global conflict The compilation features

works from both well known poets such as Wilfred Owen and Siegfried Sassoon and lesser known figures whose contributions equally illuminate the wartime experience The diverse backgrounds of the poets along with their intimate encounters with war inform a rich tapestry of perspectives Their works reflect the cultural and historical milieu of the time showcasing how the war dramatically influenced personal and collective identities This anthology is essential for readers seeking to understand the complexities of war through the lens of poetry It serves as a reminder of the power of words to articulate sorrow bravery and dignity amidst chaos A Treasury of War Poetry invites readers not only to reflect on the past but also to consider the enduring impact of war on human experience The Penguin Book of First World War Poetry Matthew George Walter,2006-10-26 This anthology reflects the diversity of voices it contains the poems are arranged thematically and the themes reflect the different experiences of war not just for the soldiers but for those left behind This is what makes this volume more accessible and satisfying than others In addition to the established canon there are poems rarely anthologised and a selection of soldiers songs to reflect the voices of the soldiers themselves *Treasury of War Poetry: 1914-1917* George Herbert Clarke,1917 English Poetry of the First World War John H. Johnston,2015-12-08 The author deals with the shock of World War I as it was registered in the work of Rupert Brooke Siegfried Sassoon Edmund Blunden Wilfred Owen Isaac Rosenberg Herbert Read and David Jones He finds in Read and Jones the culmination of a tendency away from personal lyric response toward formal control and a positive vision Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Treasury of War Poetry: British and American Poems of the World War 1914-1917 (WWI Centenary Series)** G. H. Clarke,2016-03-10 The present Anthology contains a number of representative poems produced by English speaking men and women The editorial policy has been humanly hospitable rather than academically critical especially in the case of some of the verses written by soldiers at the Front which however slight in certain instances their technical merit may be are yet psychologically interesting as sincere transcripts of personal experience and will it is thought for that very reason peculiarly attract and interest the reader It goes without saying that there are several poems in this group which conspicuously succeed also as works of art For the rest the attempt has been made within such limitations as have been experienced to present pretty freely the best of what has been found available in contemporary British and American war verse This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication

also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Poetry and Writing of the First World War Graham Cooke, 2007-11-21 My grandfather fought in both the Boer and 1st World Wars he never spoke of his experiences When he died we discovered a box containing letters photographs press cuttings and his medals Since then I have tried to piece together his war time record When I tried to teach secondary aged children about the poetry of the 1st World War many found it hard to grasp the enormity of it all until I bought in my grandfather s memorabilia suddenly it all clicked I tried to find a book that would combine the history of the Great War with the poetry and the poets but couldn t find one So I set about writing this book Including all of the Great War poems in their context the book also features a section on the materials my grandfather left and also some research that I have recently done into his family history
