Charlotte Huck's Children's Literature Children's Literature In The Elementary School:

Charlotte Huck's Children's Literature Barbara Zulantz Kiefer, 2023 *Charlotte Huck's Children's Literature* continues to be the classic comprehensive text for those involved in all aspects of the evaluation and selection of children's literature for preK through middle school readers. Like no other book it not only provides the classroom teacher, librarian, administrator, and parent with a thorough understanding of children's literature but it also like no other book reflects the passion for children's literature that resonated with Charlotte Huck. A true pioneer in the field, it was apparent that Charlotte's goal was not for readers to simply learn the history, concepts, and evaluation criteria necessary to understand and select children's literature but to jump headfirst into the joy and excitement that the literature of childhood can bring and in turn to share this enthusiasm with the children they teach. As we continue with the tenets originated by Charlotte who passed away in 2005, we keep that goal of passion and enthusiasm at the forefront of our writing. *Children's Literature in the Elementary School* Charlotte S. Huck, 1979. In *Children's Literature in the Elementary School*, Charlotte S. Huck advances the view that exposing children to good quality children's literature is a vital element of successful school reading programs. Books for children should be 1. works of high literary quality, 2. useful in the curriculum, and 3. appeal to the young reader. Volumes that address this subject have traditionally been tasked with meeting a wide variety of objectives in higher education; if adopted by education departments, methodological matters are stressed under the school of library science, bibliography is the object, and under the English department, textual analysis is emphasized. This text is sufficiently broad as to adapt itself to any one of these approaches and should serve as a valuable guide for teachers, librarians, and elementary educators in any capacity.

ISE Charlotte Huck's Children's Literature: a Brief Guide Barbara Kiefer, Cynthia Tyson, 2018-11-12. Now in its 3rd edition, *Charlotte Huck's Children's Literature: A Brief Guide* provides essential information for designing pre-K to 8 literature programs. Expertly designed in a vibrant full color format, this streamlined text has a strong emphasis on researching, evaluating, and implementing quality books in the classroom, the critical skills needed to search for and select literature. Kiefer's guide gives readers the tools they need to evaluate books, create curriculum, and foster a lifelong love of reading for students. **Children's Literature in the Elementary School** Charlotte S. Huck, Barbara Zulantz Kiefer, 2004.

Accompanying CD-ROM contains McGraw-Hill children's literature database, a student study guide, and practical resources.
