American Cookery, 1906 Mulligan Stew Gilbert Sorrentino, 2023-07-11 Widely regarded as Sorrentino's finest achievement Mulligan Stew takes as its subject the comic possibilities of the modern literary imagination As avant garde novelist Antony Lamont struggles to write a new wave murder mystery his frustrating emotional and sexual life wreaks havoc on his work in progress As a result his narrative the very book we are reading turns into a literary stew an uproariously funny melange of journal entries erotic poetry parodies of all kinds love letters interviews and lists as Hugh Kenner in Harper's wrote for another such virtuoso of the List you'd have to resurrect Joyce Soon Lamont's characters on loan from F Scott Fitzgerald Flann O'Brien James Joyce and Dashiell Hammet take on lives of their own completely sabotaging his narrative Sorrentino has vastly extended the possibilities of what a novel can be in this extraordinary work which both parodies and pays homage to the art of fiction *Dining Out in Boston* James C. O'Connell, 2016-11 Over the years Boston has been one of America's leading laboratories of urban culture including restaurants and Boston history provides valuable insights into American food ways James C O'Connell in this fascinating look at more than two centuries of culinary trends in Boston restaurants presents a rich and hitherto unexplored side to the city's past Dining Out in Boston shows that the city was a pioneer in elaborate hotel dining oyster houses French cuisine student hangouts ice cream parlors the twentieth century revival of traditional New England dishes and contemporary locavore and trendy foodie culture In these stories of the most beloved Boston restaurants of yesterday and today illustrated with an extensive collection of historic menus postcards and photos O'Connell reveals a unique history sure to whet the intellectual and nostalgic appetite of Bostonians and restaurant goers the world over **Charlotte's Homecoming** Janice Kay Johnson, 2010-07-01 Marrying a local guy and settling in her hometown has never appealed to Charlotte Russell She's got a good job in the city until a crisis forces her return to the family farm She's not back long before the well laid plans for her future fall apart And she holds Mayor Gray Van Dusen responsible In fairness the gorgeous man hasn't deliberately messed up her plans But his very active pursuit of her is sparking all kinds of strange urges Such as the urge to abandon her urban life The urge to see where these intense feelings between them could lead And the strangest urge of all to have a white picket fence in the last place she'd ever thought to settle Herbertia, 1939 *Through the Sheriff's Eyes* Janice Kay Johnson, 2010-08-01 Faith Russell refuses to be with a man who feels a sense of obligation toward her Sure she's been through some traumatic events that have left her a little shaky That doesn't mean she needs Sheriff Ben Wheeler hovering She'll be fine on her own Despite her protests however Ben won't budge He insists they share a romantic connection that deserves to be explored She'll admit she finds him attractive but how can she be close to a man who might view her as a duty It's not until she catches a glimpse of herself through his eyes that she discovers what he feels for her is very real **The Country Gentleman**, 1902 *Orchard and Garden*, 1888
