Casebook On Contract Law Casebook On Contract Law:

Casebook on Contract Law Jill Poole, 2016 Casebook on Contract Law provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs

Poole's Casebook on Contract Law Robert Merkin, Severine Saintier, 2019 All the cases you need together with the tools to understand them Now updated by Professor Robert Merkin and Dr Severine Saintier Poole's Casebook on Contract Law takes a uniquely supportive approach to give you the confidence to engage with and analyse judgments Textbook on Contract Law Jill Poole, 2014 This 12th edition provides a wide ranging and straightforward exposition of contract law The text opens with an overview of the main issues surrounding contract law which places the subject in its wider context then goes on to give a clear explanation of all the major areas of contract law encountered on undergraduate courses **Poole's Casebook on Contract Law** Robert Merkin QC, Robert M. Merkin, Séverine Saintier, 2021 All the cases you need together with the tools to understand them Poole's Casebook on Contract Law takes a uniquely supportive approach to give students the confidence to engage with and analyse judgments A Casebook on Contract Andrew Burrows, 2020-06-11 provides everything you want in a case book a stimulating thought provoking and up to date account of contract law It combines both fantastic academic commentary and superbly selected materials making it simply one of the best contract law casebooks Student Law Journal This is the seventh fully updated edition of Professor Burrows Casebook offering law students the ideal way to discover and understand contract law through reading highlights from the leading cases Designed to be used either on its own or to supplement a contract law textbook this book covers the undergraduate contract law course in a series of clearly presented and carefully structured chapters The author provides an expert introduction to each topic and his succinct notes and questions seek to guide students to a proper understanding of the cases The relevant statutes are also set out along with a principled analysis of them In addition to cross references to further discussion in the leading textbooks an innovative feature is the summary of leading academic articles in each chapter The book is designed not to overwhelm students by its length but covers all aspects of the law of contract most commonly found in the undergraduate curriculum

Contract Law Casebook Des Butler, Sharon Christensen, Bill Dixon, Lindy Willmott, 2009 Working with the forthcoming third edition of Contract Law this new casebook will ensure your students have the best access to all the key cases This supplement will be available on its own or packaged with the third edition of Contract Law **Studies in Contract Law - Casebook Plus** Ian Ayres, Gregory Klass, 2016-07-19 The new edition contains many new features including an introductory chapter that provides an overview of the course in the first two weeks The authors created a new annotated outline of the textbook allowing adopters to see the structure of the book They also included improved teaching materials that make it easier for adopters of other casebooks to switch The eighth edition covers new cases on contract issues growing out of the foreclosure crisis plus new cases from the Supreme Courts arbitration jurisprudence The authors added new coverage of

unilateral change of terms provisions in consumer contracts as well as new materials covering the Constitution's contract clause in relation to current state pension crisis With CasebookPlus you'll receive a print book lifetime digital access to a downloadable eBook 12 month online access to self assessment quizzes tied to the casebook leading study aids Gilbert Law Dictionary and an outline starter **Contract Law** Holborn Law Tutors,1993 **Basic Contract Law - Casebook Plus** Lon Fuller,Melvin Aron Eisenberg,Mark P. Gergen,2016-07 As a part of our CasebookPlus offering you'll receive the print book along with lifetime digital access to the eBook Additionally you'll receive 12 month online access to the Learning Library which includes quizzes tied specifically to your book an outline starter and digital access to leading study aids in that subject and the Gilbert Law Dictionary The included study aids are Contracts in a Nutshell Exam Pro on Contracts and Acing Contracts The redemption code will be shipped to you with the book The ninth edition continues the approach of earlier editions in emphasizing rich full bodied versions of the principal cases a functionalist approach to the problems of contract law and analytical notes on such issues as the differences between classical and modern contract law and the role of the limits of cognition in contract law The new edition includes a great number of new principal cases and case notes including extensive coverage of pertinent materials in the new restatement of restitution and up to date materials on rolling contracts

Problems in Contract Law Charles L. Knapp,Nathan M. Crystal,Harry G. Prince,2019-02-01 In Problems in Contract Law Cases and Materials Ninth Edition by Charles L Knapp Nathan M Crystal and Harry G Prince a balance of traditional and contemporary cases reflect the development and complexity of contract law Explanatory notes and text place classic and contemporary cases in their larger legal context while questions and problem exercises bridge theory and practice Adaptable for instructors with different teaching techniques this successful book includes various perspectives and contractual settings and offers a highly intelligent contemporary treatment of contract law It can easily be used in teaching by traditional case analysis through problem based instruction or using theoretical inquiry New to the Ninth Edition Seven new cases that reflect advances in or improved statements of contract law Two restored cases Kirksey v Kirksey and Hill v Jones that provide valuable perspectives on fundamental areas of contract law Eight new problems including seven net additions and one replacement to provide more review options for teachers and students and to add contemporary fact patterns A new two color design featuring interesting photographs illustrating people and places discussed in some of the cases Editing of note and text material to reduce length without affecting coverage Reorganization of text and comment material to focus comments primarily on historical developments allowing professors flexibility in assigning or deleting comments Student accessibility to deleted cases from prior editions through Connected Casebook allowing professors the further flexibility of continuing to easily assign cases for which they have a particular preference Professors and students will benefit from Flexible application for professors with various teaching methodologies traditional problem theoretical and practical A mixture of classic and contemporary cases The authors emphasis on accessibility of the material rejecting a hide the ball

approach Review questions at the end of each chapter that are primarily designed for students to perform self assessments of their grasp of the material Answers with explanations are included in an appendix within the book
