Cassandra Jann Rowland:

Cassandra Jann Rowland, 2015-12-01 As a young man Darcy marries a young woman after a whirlwind courtship only to lose her in childbirth after a year of marriage Though loath to join society again with the assistance of old friends and new Darcy is once again induced to take an interest in life and move past his heartbreak Darcy never thought he would be able to find love again but it is not long before he hears the siren call of a pretty young woman who is sister to his friend Bingley's wife

A Matchmaking Mother Jann Rowland, What is a mother to do A marriage of convenience even when it brings the benefit of great wealth cannot be agreeable especially when the principals of the union are ill suited The mother who loves her son has no choice but to interfere and the best way to do so is to present another option At the Netherfield ball Elizabeth is introduced to the dearest ladies in Mr Darcy's life his mother and sister Though Elizabeth does not care much for the proud Mr Darcy the friendliness of his relations soon make them favorites Then when an invitation is extended for Elizabeth and her elder sister to visit in London the sisters accept eager to continue their acquaintances with the Darcy ladies Elizabeth though eager to go to London knows she will live in the same house as Mr Darcy and having already done so she is not eager to be close to the gentleman again The closer she grows to his family however the more Elizabeth begins to discover about Mr Darcy When love blossoms the machinations of others threaten to interfere but a mother set on protecting her children will not be denied

A Most Attentive Mother Jann Rowland, 1900 Having lost her mother at a young age Elizabeth Bennet desires the presence of a mother in her life When a young widow arrives in the neighborhood Elizabeth knows she has found a woman well suited to joining her family recommending her to her father as a desirable wife Fortunately for Elizabeth his father needs little encouragement and soon after proposes Fitzwilliam Darcy comes to Hertfordshire with his friend Charles Bingley he anticipates meeting the Bennets for their new mother is none other than his aunt Lady Catherine Bennet The introduction goes poorly however as Darcy unwittingly insults her second stepdaughter angering her ladyship and creating a question of his character in Elizabeth's mind Darcy seeing the worth of the Bennet family comes to an appreciation for them including Miss Elizabeth to whom he makes amends As Elizabeth comes to know Mr Darcy better she gains insight into his character and soon each begin to understand that the other will be a perfect partner in life In this they have Lady Catherine's blessing for the woman loves her new daughters very much Yet within ranks of Lady Catherine's extended family there are members who do not appreciate her new connections who have other notions as to their family's future Yet Lady Catherine is a woman of fortitude a woman attentive to all matters within her sphere of influence and no one will stand in the way of her new daughter's happiness

Flight to Gretna Green Jann Rowland, 1900 Fitzwilliam Darcy had not expected to see Miss Elizabeth Bennet at Pemberley Even less anticipated had been her reception at seeing him there Whereas their last meeting at Hunsford had ended in acrimony now she appeared to be receptive to him The morning after the ecstasy of her company at Pemberley Darcy goes Lambton hopeful his fondest dream might finally be

realized But all is thrown into chaos when Darcy receives word that Wickham was sighted in Lambton The event takes on new meaning when Darcy arrives at the inn and learns of Miss Lydia Bennet s elopement with his nemesis The protection of the woman he loves foremost in Darcy s mind he joins Miss Bennet as she and her relations follow their wayward relation intent upon recovering her from the clutches of the man who has absconded with her What they find was something none of them could have expected Flight to Gretna Green is a novella of 39 000 words [Saving Anne de Bourgh](#) Jann Rowland,2025-04-01 Mr Darcy s proposal to Elizabeth Bennet ends in acrimony but when Elizabeth returns to Longbourn it is with a changed perspective forced on her by Mr Darcy s letter At Longbourn Elizabeth cannot but acknowledge that the gentleman s charges have some merit given the behavior of certain members of her family On the heels of her return however Elizabeth makes a shocking discovery for one day while visiting Meryton with her sisters she comes across none other than Anne de Bourgh daughter of the imposing Lady Catherine Further investigation reveals the truth that Miss de Bourgh is there traveling with the very Mr Wickham against whom Mr Darcy had warned her Knowing she must do something Elizabeth persuades Miss de Bourgh of the folly of eloping with the libertine after which she must navigate the danger Mr Wickham presents For the man who has defrauded so many who attempted to elope with Miss Darcy will not abandon his schemes without a fight Into this maelstrom comes Lady Catherine pursuing her daughter to prevent her from making a huge mistake and Mr Darcy summoned by his aunt to assist The truth of the matter when revealed provides a much needed measure of hope to Darcy for with Elizabeth s actions to assist his cousin she may not be so lost to him as he once thought [The Heir's Disgrace](#) Jann Rowland,2018-04-19 A second son Mr Henry Bennet is an officer in His Majesty s army knowing he must fight to earn his bread But a letter from his father changes everything as he is summoned home due to a family crisis His brother Philip Bennet has been a gamester for years and has finally done the unthinkable he has mortgaged Longbourn s future for his own selfish pleasures The sinister figure of Baron Godwin the immoral man to whom Philip has become indebted casts a long shadow over Longbourn as he demands to be paid what he is owed As Henry and his father struggle to cope with the disaster which has fallen upon them they make desperate plans to save what they can of their family and their very way of life But in the process Henry finds he has made an implacable enemy a man who will stop at nothing to see him and all he cares for destroyed The Heir s Disgrace is the first book of the Courage Always Rises The Bennet Saga Trilogy The second book will feature the ongoing struggles of Mr Henry Bennet as he attempts to protect his family from an implacable foe and feature a young Elizabeth Bennet embroiled in a mystery The third book will tell the story of Elizabeth and Fitzwilliam Darcy s courtship and detail the final confrontation between the Bennet family and their implacable enemy **The Angel of Longbourn** Jann Rowland,2017-03-21 Delayed on his way to Netherfield where his friend Charles Bingley awaits his arrival Fitzwilliam Darcy decides to continue on horseback only to be caught in a rainstorm Later that day Elizabeth Bennet finds him unconscious and suffering from a serious illness The Bennets quickly return him to

their house where they care for him like he is one of their own and he soon forms an attachment with the young woman he comes to view as his personal angel But the course of true love cannot proceed smoothly for others have an interest in Darcy for their own selfish reasons The Angel of Longbourn is a novella length Pride and Prejudice variation of about 65 000 words

Chaos Comes to Kent Jann Rowland,2017-05-21 Unable to visit his cousins as planned Mr Collins invites them to stay at his parsonage the following spring The Bennets go to Kent expecting a foolish Mr Collins and an overbearing Lady Catherine de Bourgh While one is as they expect the other is surprisingly amiable When Mr Darcy and his cousin Colonel Fitzwilliam visit Lady Catherine at the same time they each begin to focus on a Bennet sister prodded by well meaning relations but spurred on by their own feelings But though Mr Darcy and Elizabeth quickly begin to fall in love there are other elements of both families who are determined to interfere Chaos Comes to Kent is a short novel of 75 000 words Among Intimate Acquaintances Jann Rowland,1900 Elizabeth Bennet does not know what to think of Fitzwilliam Darcy Having heard her new brother Charles Bingley praise him to the skies Invited to accompany her brother and beloved Jane to stay at the man s estate Elizabeth wonders how he can possibly be as good as Charles claims At Pemberley Elizabeth learns that Mr Darcy is a diligent man one sober and upright a man engaged in the welfare of his estate His sister Elizabeth also learns is a wonderful girl a girl unlike her own sisters who are often wild and uncouth Settling in at Pemberley for a visit Elizabeth grows to love the estate and her esteem for the master and his sister grow apace But while Elizabeth is happy there she cannot forget the events of the past year which continue to plague her peace of mind Then an old enemy of the Darcy family arrives to wreak havoc on the Darcys pulling Elizabeth s own family into his schemes The question in Elizabeth s mind is whether Mr Darcy s newfound appreciation for her can withstand the machinations of a libertine and the silliness of a reprehensible sister

Whispers of the Heart Jann Rowland,2018-10-17 A different outcome of Georgiana Darcy s near ruin in Ramsgate leads to a different party arriving in Hertfordshire Not only is its composition altered but the changed circumstances have lasting effects not only in Miss Darcy but also her brother The Bennet family is also changed as a new suitor emerges for the worthiest of the Bennet sisters one who is not beset by dissenting sisters protesting her unsuitability And while Mr Darcy is still notable in his objections there is little he can do to push back against the inevitable as his sway is not nearly so profound Her sister having obtained her happiness Elizabeth Bennet finds herself thrown into society far above any she might have otherwise expected But as she travels to new locations Elizabeth meets a mysterious man who strangely attracts her But of greater consequence is Elizabeth s growing feelings for Mr Darcy for the gentleman who was disapproving of them all when she met him has begun to show her another side of himself one which Elizabeth feels she could come to love
