MacDonald, 1998-01-01 A comprehensive introduction to film music for the general student the film historian and the aspiring cinematographer It is a historically structured account of the evolution of music in films The book is arranged as a chronological survey and includes biographical sketches on many important film composers in addition to the development of the films themselves *Charlie Chaplin* John W. Fawell, 2023-01-17 Charlie Chaplin was a skilled comedian filmmaker and composer and the mission of this book is to educate readers on the wide variety of Chaplin's artistry the subtlety of his

mimetic satire the sophistication of his film direction and his prodigious musical skill that resulted in some of film's greatest orchestral arrangements This encyclopedia also emphasizes the singular nature of Chaplin's biography his unprecedented renown the wide list of notables in art and culture with whom he fraternized and the controversies that seemed to dog each stage of his life perhaps most notably in his run ins with the FBI and the House UnAmerican Activities Committee both of whom suspected him of communist leanings *Charlie Chaplin A Reference Guide to His Life and Works* captures his life and legacy It features a chronology an introduction that offers a brief account of his life and a dictionary section listing entries on Chaplin's childhood career family and associates The bibliography is one of the largest available of works concerning Chaplin

Today's Sounds for Yesterday's Films K.J. Donnelly, Ann-Kristin Wallengren, 2016-04-08 In recent years there has been

something of an explosion in the performance of live music to silent films There is a wide range of films with live and new scores that run from the historically accurate orchestral scores to contemporary sounds by groups such as Pet Shop Boys or by experimental composers and gothic heavy metal bands It is no exaggeration to claim that music constitutes a bridge between the old silent film and the modern audience music is also a channel for non scholarly audiences to gain an appreciation of silent films Music has become a means both for musicians and audiences to understand this bygone film art anew This book is the first of its kind in that it aims to bring together writings and interviews to delineate the culture of providing music for silent films It not only has the character of a scholarly work but is also something of a manual in that it discusses how to make music for silent films
