Book Punch – Evidence and Inference

The Evidence and Inference topics and their pre-writing questions are listed below. When you find a fact in the book that answers a pre-writing question, write the page number next to the question.

Evidence and Inference Topic 1

Whether a family is wealthy or poor affects the family's lifestyle. At the beginning of the story, Charlie's household is extremely poor. Write a paragraph describing the Bucket family's living conditions and the way they cope with their poverty.

(This topic is recommended for students who have read through Chapter 8.)

1. Who are the adult members of Charlie's household?
2. What are the conditions in which Charlie and his family live?
3. What is mealtime like at Charlie's house?
4. What is the one cheerful spot in the day for Charlie and his family?

Evidence and Inference Topic 2

Roald Dahl's imaginative thinking results in the creation of some very remarkable characters in "Charlie and the Chocolate Factory." Among these characters are the Oompa-Loompas. Write a paragraph describing the Oompa-Loompas and tell how they came to work for Mr. Wonka.

(This topic is recommended for students who have read through Chapter 17.)

1. What do the Oompa-Loompas look like and how do they act?
2. Where does Mr. Wonka discover the Oompa-Loompas? What are their houses like?
3. What problems are the Oompa-Loompas facing in their natural habitat when Willy Wonka finds them? What do they want more than anything else?
4. What does Mr. Wonka offer the Oompa-Loompas and why?

Evidence and Inference Topic 3

There are times when people do not reveal the true purpose of their actions. Write a paragraph describing Mr. Wonka's contest and his real purpose in holding the contest.

(This topic is recommended for students who have read through Chapter 20.)

1. According to the announcement, what will the winners of Mr. Wonka's contest receive?
2. What does a child have to do in order to win the contest?
3. Charlie discovers the real reason for the contest. What does Charlie find out?
4. Why does Willy Wonka choose to have a child receive the real prize?

How to Find a Needle in a Haystack Yair Neuman, 2022-09-05 Searching for a needle in a haystack is an important task in several contexts of data analysis and decision making Examples include identifying the insider threat within an organization the prediction of failure in industrial production or pinpointing the unique signature of a solo perpetrator such as a school shooter or a lone wolf terrorist It is a challenge different from that of identifying a rare event e.g. a tsunami or detecting anomalies because the needle is not easily distinguished from the haystack This challenging context is imbued with particular difficulties from the lack of sufficient data to train a machine learning model through the identification of the relevant features and up to the painful price of false alarms which might cause us to question the relevance of machine learning solutions even if they perform well according to common performance criteria In this book Prof Neuman approaches the problem of finding the needle by specifically focusing on the human factor from solo perpetrators to insider threats Providing for the first time a deep critical multidimensional and methodological analysis of the challenge the book offers data scientists and decision makers a deep scientific foundational approach combined with a pragmatic practical approach that may guide them in searching for a needle in a haystack
