Robert Michael Ballantyne,2020-04-16 At first there were few things apparently that did seem to his infant mind desirable for his earliest days were marked by a sort of chronic crossness that seemed quite unaccountable in one so healthy but this was eventually traced to the influence of pins injudiciously disposed about the person by nurse Possibly this experience may have tended to develop a spirit of brave endurance and might perhaps account for the beautiful modifications of character that were subsequently observed in him At all events sweet patient amiability was a prevailing feature in the boy long before the years of infancy were over and this heavenly aspect of him was pleasantly diversified in course of time by occasional displays of resolute we might almost say heroic self will which proved a constant source of mingled pride and alarm to his widowed mother *Charlie To The Rescue* Robert Michael Ballantyne,2024-12-02 NEW PRINT WITH PROFESSIONAL TYPE SET IN CONTRAST TO SCANNED PRINTS OFFERED BY OTHERS Charlie To The Rescue A Tale Of The Sea And And The Rockies

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards:

1. Type setting and Reformatting: The complete work has been re-designed via professional layout formatting and type setting tools to re-create the same edition with rich typography, graphics, high quality images and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition as opposed to other scanned printed Optical Character Recognition (OCR) reproductions.
2. Correction of imperfections: As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work.

Charlie to the Rescue Robert Michael Ballantyne, 2013-10. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book.
