Charm Offensive Kurlantzick, Joshua, 2013-05-24 At the beginning of the twenty first century China is poised to become a major global power And though much has been written of China s rise a key aspect of this transformation has gone largely unnoticed the way that China is using soft power and diplomacy to appeal to its neighbours and distant countries alike In this provocative book Joshua Kurlantzick examines the significance of China s recent reliance on soft power diplomacy trade incentives cultural and educational exchange opportunities and other techniques to project a benign national image position itself as a model of social and economic success and develop stronger international alliances Drawing on years of on the ground experience tracking China s policies in Southeast Asia Latin America and Africa Kurlantzick shows how China has wooed the world with a charm offensive that has largely escaped the world s attention In his persuasively argued conclusion he considers a future in which China may be the first nation since the Soviet Union to rival the United States in international influence Charm Offensive Joshua Kurlantzick, 2007-12-26 **The Charm Offensive** Cari Lynn Webb, 2017-07-01

Winning her over means winning everything Sophie Callahan is PI Brad Harrington s best lead to tracking down the man he s been hired to bring to justice Sophie s own thieving father But when Brad arrives at The Pampered Pooch just behind a litter of stray kittens the pet store owner is the big surprise This scrappy huge hearted woman with charm to spare gets to Brad in a way no one has ever been able to before She spends her life finding and making homes for others abandoned pets her young niece He ll have to tell her why he s really here Which means he ll have to choose between his sail away dreams and the chance to build a forever home with her Charm Offensive Joshua Kurlantzick, 2007-01-01

At the beginning of the twenty first century China is poised to become a major global power And though much has been written of China s rise a crucial aspect of this transformation has gone largely unnoticed the way that China is using soft power to appeal to its neighbours and to distant countries alike This original book is the first to examine the significance of China s recent focus on soft power that is diplomacy trade incentives cultural and educational exchange opportunities and other techniques to project a benign national image pose as a model of social and economic success and develop stronger international alliances Drawing on years of experience tracking China s policies in Southeast Asia Latin America and Africa Joshua Kurlantzick reveals how China has wooed the world with a charm offensive that has largely escaped the attention of American policymakers Beijing s new diplomacy has altered the political landscape in Southeast Asia and far beyond changing the dynamics of China s relationships with other countries China also has worked to take advantage of American policy mistakes the author contends In a provocative conclusion he considers a future in which China may be the first nation since the Soviet Union to rival the U S in international influence **The Charm Offensive** Alison Cochrun, 2021-09-07

manipulation's presumptive immorality derives from the fact that it involves getting someone to make a mistake and making a mistake is a bad thing. However, the most morally egregious instances of manipulation also have bad effects on well-being and autonomy. This book concludes by applying the Mistake Account to various influences including priming, conditioning, nudges, advertising, sales, and online influences.

Kim Jong-un's Strategy for Survival David W. Shin, 2020-11-09

In *Kim Jong-un's Strategy for Survival*, David W. Shin contends that Kim Jong-un's consolidation of power at home and the leveraging of Beijing, Moscow, Seoul, and Washington, and others abroad, show that he is not a madman and like the two earlier Kims, has consistently been underestimated. Shin presents an alternative framework for Kim Jong-un's behavior through his analysis of Kim's background and his development as the successor to his father, Kim Jong-il, the evolution of the totalitarian system Kim inherited from his grandfather, Kim Il-sung, and the security environment after Kim Jong-il's death in 2011. This book is recommended for scholars and students of political science, Asian studies, international relations, and history.
