Landgren, Kenneth A. Lee, 2011-06 THE FASTEST 30 BALLGAMES is a World Record journey of dedicated Ballpark Chaser Chuck Booth In the summer of 2009 Booth accomplished this amazing feat of attending a full baseball game at every Major League Baseball home team's ballpark in

only 24 calendar days Booth managed this after falling just short of the record in 2008 The book chronicles the story of Booth as he rearranged his life to attempt the World Record after hearing the inspirational story of Jim Maclaren who faced two near death experiences and how Jim overcame being a quadriplegic to become one of the most respected motivational speakers in America The story features write ups of all ballparks Booth visited during the streak with a look at traditions and physical appearance It also reveals how after he became a member of Ballpark Chasers he decided to include Chaser Guides that offer suggestions on how to travel where to eat and sleep the best parking transportation to and from the ballpark where to score the best seats and so much more This knowledge is passed on to the reader in hopes of saving them time money and stress when Ballpark Chasing around the country Co authors are fellow Ballpark Chasers Craig B Landgren and Ken Lee Craig assisted with the Ballpark Chaser Guides while Ken charted Booth s record attempt in 2009 Throughout the book look for other featured Ballpark Chasers personal ballpark stories and memories that have forever changed their lives **Visual**

Sociology Douglas Harper, 2023-06-09 This new version of the authoritative textbook in the field of visual sociology focuses on the key topics of documentary photography visual ethnography collaborative visual research visual empiricism the study of the visual symbol and teaching sociology visually This updated and expanded edition includes nearly twice as many images and incorporates new in depth case studies drawing upon the author s lifetime of pioneering research and teaching as well as the often neglected experiences of women and people of color The book examines how documentary photography can be useful to sociologists both because of the topics examined by documentarians and as an example of how seeing is socially constructed Harper describes the exclusion of women through much of the history of documentary photography and the distinctiveness of the female eye in recent documentary a phenomenon he calls the gendered lens The author examines how a visual approach allows sociologists to study conventional topics differently while offering new perspectives topics and insights For example photography shows us how perspective itself affects what we see and know how abstractions such as ideal types can be represented visually how social change can be studied visually and how the study of symbols can lead us to interpret public art architecture and person made landscapes There is an extended study of how images can lead to cooperative research and learning how images can serve as bridges of understanding blurring the lines between researcher and researched The important topic of reflexivity is examined by close study of Harper s own research experiences Finally the author focusses on teaching offering templates for full courses assignments and projects and guides for teachers imagining how to approach visual sociology as a new practice This definitive yet accessible textbook will be indispensable to teachers researchers and professionals with an interest in visual sociology research methods cultural theory and visual anthropology
