How to Cast Out Demons Isaiah Saldivar, 2024-11-12 The call to cast out demons is not for a select few it is for every believer At the end of 2020 revivalist Isaiah Saldivar had a visitation from the Holy Spirit in which He told him in so many words Isaiah the church is unprepared and untrained in spiritual warfare I want you to teach on casting out demons and spiritual warfare Isaiah began to emphasize deliverance training and spiritual warfare in his ministry and what he thought would be a one week teaching turned into eight straight months and more than sixty hours of video teachings on how to cast out demons and win the fight in the spirit These videos have now amassed over 30 million views and thousands have been delivered by the power of the Holy Spirit In this book Isaiah helps Christians who know they should be doing deliverance but don't know how to go about it Exploring the seven examples in the Gospels of Jesus casting out demons and featuring stories from Saldivar's life and ministry this simple guide removes the mystery and provides practical training for believers who want to follow Jesus example of casting out demons and healing the sick In these pages Saldivar challenges readers to not ignore Satan's kingdom and equips them to confront resist wrestle stand against and cast out Those who are tired of sitting on the sidelines will be empowered to do the works of Jesus and be part of the most significant deliverance revival the world has ever seen

Cast Out Malcolm Wood, 2021-10-19 In Nottingham England in 1810 John Marsden is jobless and desperate to find ways to feed his family For stealing two sheep he is imprisoned and transported to Van Diemen's Land Although missing his family badly Marsden works steadily knowing that freedom and opportunity beckon There will be no redemption for his former shipmates who have become bushrangers Or for the indigenous population locked in an increasingly bloody fight for survival as the colonists take their land Malcolm Wood's second historical novel is a graphic confronting story of poverty loneliness racism rapacity and violence

How to Cast Out Devils Norvel Hayes, 2013-06-19 The Church is afraid of the word deliverance The devil is tormenting Christians controlling their lives and wreaking havoc in their daily affairs We as believers have the power and authority to walk in complete dominion over the devil Yet through ignorance we have let the devil beat us up beat us down and control our lives Today is the

Cast Out of the Covenant Adele Reinhartz, 2020-07-07 The Gospel of John presents its readers listeners and interpreters with a serious problem how can we reconcile the Gospel's exalted spirituality and deep knowledge of Judaism with its portrayal of the Jews as the children of the devil John 8:44 who persecuted Christ and his followers One widespread solution to this problem is the so called expulsion hypothesis According to this view the Fourth Gospel was addressed to a Jewish group of believers in Christ that had been expelled from the synagogue due to their faith The anti Jewish elements express their natural resentment of how they had been treated the Jewish elements of the Gospel on the other hand reflect the Jewishness of this group and also soften the force of the Gospel's anti Jewish comments In *Cast out of the Covenant* this book Adele Reinhartz presents a detailed critique of the expulsion hypothesis on literary and historical grounds She argues that far from softening the Gospel's anti Jewishness the Gospel's Jewish elements in fact contribute to it Focusing on the Gospel's persuasive language and intentions Reinhartz shows that the Gospel's anti Jewishness is evident not only in the Gospel's hostile comments about the Jews but also in its appropriation of Torah Temple and Covenant that were so central to first century Jewish identity Through its skillful use of rhetoric the Gospel attempts to convince its audience that God's favor had turned away from the Jews to the Gentiles that there is a deep rift between the synagogue and those who confess Christ as Messiah and that in the Gospel's view this rift was initiated in Jesus' own lifetime The Fourth Gospel Reinhartz argues appropriates Jewishness at the same time as it repudiates Jews In doing so it also promotes a parting of the ways between those who believe that Jesus is the messiah the

Son of God and those who do not that is the Jews This rhetorical program she suggests may have been used to promote outreach or even an organized mission to the Gentiles following in the footsteps of Paul and his mid first century contemporaries
