P. Cavafy Peter Jeffreys, Demetres P. Tryphonopoulos, 2025-04-26 Known as a preeminent poet of queer male desire C P Cavafy lived most of his life as part of the Greek minority community in Alexandria Egypt He was inspired by the possibilities offered by peripheries whether sexual geographic or historical Volumes of his poems widely translated into English give anglophone readers access to his distinctive mixture of irony and tenderness directness and subtlety This volume will help instructors introduce students to Cavafy's works and explore them from many angles with the help of the extensive archives now available Essays address teaching Cavafy both as a poetic historian of the Hellenistic Roman and Byzantine worlds and through the lens of postcoloniality They also explore how he interpreted classical Greek works and how his work has been

interpreted by composers poets and readers within and beyond Greece and the Greek diaspora     The Selected Poems of Cavafy C. P. Cavafy, 2008-03-27 C P Cavafy is one of the most singular and poignant voices of twentieth century European poetry conjuring a magical interior world through lyrical evocations of remembered passions imagined monologues and dramatic retellings of his native Alexandria's ancient past Figures from antiquity speak with telling interruptions from the author in such poems as Anna Comnena and You did not understand while precise moments of history are seen with a sense of foreboding as in Ides of March The God Abandoning Antony and Nero's Deadline And in poems that draw on his own life and surroundings Cavafy recalls illicit trysts or glimpses of beautiful young men in One Night I have gazed so much and The Caf Entrance and creates exquisite miniatures of everyday life in An Old Man and Of the Shop     *Poetry's Touch* William Waters, 2018-05-31 To whom does a poem speak Do poems really communicate with those they address Is reading poems like overhearing Like intimate conversation Like performing a script William Waters pursues these questions by closely reading a selection of poems that say you to a human being to the reader to the beloved or to the dead In any account of reading lyric poetry Waters argues there will be places where the participant roles of speaker intended hearer and bystander melt together or away these are moments of wonder Looking both at poetry's you and at how readers encounter it Waters asserts that poetic address shows literature pressing for a close relation with those into whose hands it may fall What is at stake for us as readers and critics is our ability to acknowledge the claims made on us by the works of art with which we engage In second person poems in a poem's touch we may come to see why poetry matters to us and how we in turn come to feel answerable to it Poetry's Touch takes as a central thread the poetry of Rainer Maria Rilke a writer whose work is unusually self-conscious about poetic address The book also draws examples from a gamut of European and American poems ranging from archaic Greek inscriptions to Keats Dickinson and Ashbery     Historical Dictionary of Greece Thanos Veremēs, Markos Dragoumēs, 1995 A bibliography and a collection of alphabetical entries on socioeconomic conditions institutions tourism historic sites history politics and the arts with biographies of historical and modern key figures Includes a chronology of events an essay on historical continuities and lists of kings presidents and prime ministers of the country plus historical and administrative maps Annotation copyright by Book News Inc Portland OR     *Death, Desire and Loss in Western Culture* Jonathan Dollimore, 2013-07-04 Death Desire and Loss in Western Culture is a rich testament to our ubiquitous preoccupation with the tangled web of death and desire In these pages we find nuanced analysis that blends Plato with Shelley Hlderlin with Foucault Dollimore a gifted thinker is not content to summarize these texts from afar instead he weaves a thread through each to tell the magnificent story of the making of the modern individual
