Booklist ,1910 Resources in Education ,1998 *The Booklist* ,1909 *A.L.A. Booklist* ,1909 **Making Imperial Mentalities** J. Mangan,2012-05-04 This book discusses the way in which those born into the British empire were persuaded to accept it often with enthusiasm The study compares the perceptions of people at home in the dominions and in the colonies Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation the various agents and agencies of persuasion reaction to the experience of dominance by dominant and dominated the paradoxical impact of the missionary and the subversive role of some women It also considers the significant issues of colonial adaptation resistance and rejection and the post imperial consequences of imperialism *Herald of the Golden Age* ,1897 **OK, I've Signed Up For Statistics. Now What?** Barry Trunk,Leslie Olsen,2016-06-13 OK I ve signed up for statistics Now What A Student s Guide to Navigation and Success in Statistics is the book your students have been searching for Courses in statistics are often approached with emotions ranging from mild anxiety to outright fear The book is designed to be a valuable easy to read supplement interspersed with humor and examples Using a question and answer format students are guided through the primary aspects of common statistics with emphasis on concepts writing and presentation Instructors will find this an invaluable supplement **The Athenaeum** ,1891 Literature for Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading
