

Magical Amulets

The Amulets are two halves of an ancient charm. On their own they are extremely powerful offering a shield against all but the most Evil Demons. Only great strength can overcome them.

Amulets are useless to anyone Evil. They are for the use of good and Good alone. Whoever joins the two Amulets together more than doubles the protection, becoming invincible.

When the Amulets are brought together they need to be Activated by the adjoining spell to release their Power.
