

A black and white photograph of a young child, possibly a girl, with a distressed expression. The child's eyes are squeezed shut, and their mouth is slightly open in a pained or crying expression. They are holding a rag doll with both hands. The doll has a simple, round head with two small dark eyes and a body made of patterned fabric. The background is dark and out of focus, suggesting an indoor setting with wooden slats or a fence. The overall mood is somber and evocative.
