Relational Children's Ministry Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families Unfortunately it's not always clear that the work a person does with kids is really making a lasting difference Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped and most likely the responses will be mixed And for good reason Research over the past decade has revealed an alarming lack of long term growth in the faith community as children progress through student ministries into adulthood Clearly something needs to change Relational Children's Ministry seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long term impact Ministry leaders will Learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long term discipleship is embedded Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context Children's ministry leaders will receive practical training to refocus their children's ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations

But Children Matter Kenneth G. Warren, John S. Knox, 2020-02-14

Often a disconnect exists between the way pastors children s ministry volunteers and churches describe the health and impact of children s ministry volunteers and the overall functioning of an ongoing children s ministry The volunteer dysfunction that is evident in many churches goes beyond the building scenario or the current strategy that leadership is pursuing If one asks the pastor of just about any local church how the children s ministry is going most pastors will respond positively However if speaking with a children s ministry volunteer one is likely to hear I am burned out but I feel obligated to serve here because we have such a shortage of volunteers and I do love these kids Too often there is no program in place to monitor the health of the ministry Official training is lacking church vision is blurred and many children s ministry volunteers feel like they are nothing more than large group unpaid babysitters This book analyzes these problems and provides pragmatic systematic steps to a healthier more robust children s ministry Children's Ministry that Works! Training Academies are dynamic ministries that train and release children to do ministry. They provide children with a unique opportunity to learn ministry through hands-on experience. Ministry Training Academies also help to fulfill the purpose of the local church. Given that children make up approximately 25% of the church population, it would be unlikely for a church to fulfill what God has called it to do unless children are engaged in helping fulfill that purpose. Can you imagine if every evangelical church equipped and released their children in ministry? Not only would there be radical changes in the church of Jesus Christ, there would be changes in homes, schools, and neighborhoods. Children who walk in newness of Christ as a believer AND partner with Him in ministry will have a profound impact in their world. Let's stop doing ministry to our children and begin a chapter in church history where we begin doing ministry WITH children. *Energizing Children's Ministry in the Smaller Church* Rick Chromey, 2008. *Energizing Children's Ministry in the Smaller Church* helps you with your smaller church children's ministry. It makes a huge and mega impact. Part of the ESCN product line.
