

China's Foreign Policy Challenges and Evolving Strategy

Abanti Bhattacharya

Abstract

The end of the Cold War, the September 11 terrorists' attacks, preponderance of US power and globalisation have shaped the present world order and posed new opportunities and challenges for China. China's need to fulfill its grand strategy of acquiring comprehensive national power within this external environment and overcome the existing challenges has given rise to its post-Cold War foreign policy strategy. Given the challenges it faces, its primary need is to ensure continuance of a peaceful environment to sustain its reform and modernisation programme. This calls for a foreign policy, which conforms to rather than challenges the existing international order. Yet its policies to advance national interests are already leading to a series of complex responses in both Asia and the Pacific regions.

The end of bipolar politics of the Cold War, on the one hand, created a peaceful environment for China's growth; the forces of globalisation, on the other enhanced its need to open up and integrate with the world economy. Both the factors reshaped China's foreign policy strategy and national interests. During the Cold War China's primary challenge was to ensure its security from the threats emanating from the US and later the Soviet Union. Therefore, national sovereignty and territorial integrity were the essential goals of Chinese foreign policy. In the post-Cold War period, China's national interests, in addition to essential foreign policy goals, have been determined by the dream of achieving a 'great power status'. This dream of 'great power status' initiated since 1979 is engineered by a grand strategy known as the four modernisation programmes. This has resulted in spiraling economic development and growing military might. Yet the Chinese leadership feels that it is not even halfway through in attaining its grand strategy. There are numerous and complex challenges to the Chinese

Chinas Foreign Policy Challenges And Players:

Enjoying the Beat of Term: An Emotional Symphony within **Chinas Foreign Policy Challenges And Players**

In a world consumed by screens and the ceaseless chatter of instant transmission, the melodic splendor and psychological symphony developed by the published term often diminish in to the back ground, eclipsed by the relentless sound and disruptions that permeate our lives. But, nestled within the pages of **Chinas Foreign Policy Challenges And Players** a charming literary value overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, this captivating masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths of this poignant evaluation, we can discover the book is central harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
