Learning Chinese Language and Culture Weijia Huang, Qun Ao, 2019-08-15 Learning Chinese Language and Culture is an intermediate level textbook which was intended to be used throughout the entire school year and designed mainly for students who have completed introductory courses of Chinese as a foreign language. Written in English Traditional and Simplified Chinese, this book illustrates Chinese language knowledge and introduces Chinese culture in twenty-two lessons covering a variety of cultural content including customs and manners, holidays and festivals, poems and idioms, calligraphy and couplets, myths and legends, Feng Shui and superstitions, and historical relics and sceneries and many others. The Encounters program includes Two Full color Student Books for introductory Chinese study, Annotated Instructor's Editions with answer keys and suggested class activities, Two Character Writing Workbooks linked directly to the Student Book, Ten hours of video materials comprising dramatic episodes, cultural segments and animations all integrated with the Student Books.
